206 3rd Avenue East, Flasher, ND 58535 ~ Telephone: 400-1756, Fax: 597-3781
Brian Nieuwsma, Activities Director

ORANGE PHASE BASKETBALL PROTOCOL

- **150 fans will be allowed for any contest in our gym. This does not include the teams, officials, or staff to facilitate the game.**
- **Home and Visiting Fans are allowed at home contests. Admission is still required to gain entrance. We will allow 100 HOME fans with player's families receiving preference.**
- **Two people per participant or a maximum of 50 fans are allowed from the VISITING team fans. Vouchers will be provided prior to visiting teams to distribute.**
- **Bulldog fans may attend away games. Each Student/Athlete will be provided with TWO vouchers to be used at away contests. Only TWO people per participant are allowed at away games.**
- **Facemasks are required to be worn at all times at home and away games. Governor Burgum's executive order has been extended to January 18th. Masks will be worn by the coaches, players on the bench, and fans throughout the event. Non-compliance could have an effect on attendance at future events.**
- **Fans will social distance while in attendance at home or away games.**
- **Limited Concessions; drinks and candy will be available.**
- **With Junior High Contests we do not get near the capacity limits with our gym size so vouchers will not be used for Home/Away fans.**
- **All home games will be streamed live on the FPS Facebook page. To access the stream,** https://www.facebook.com/flasherschool/live_videos/
- **All away games will be streamed live from either NFHS Network or other platforms. This information will be shared with the public for each away game.**
