MATCH

Mountain State Assessment of Trends in Community Health

In partnership with WV DHHR and WVU Health Affairs

West Virginians have health needs. Help your community get access to more health services by taking the MATCH survey.

YOUR COMMUNITY! YOUR VOICE!

The goal of MATCH is to change health in West Virginia for the better, but we can't do it without your help. Complete the MATCH survey and ensure that ***your voice is heard!***

WHY SHOULD I PARTICIPATE?

- Improve health for West Virginians
- Be an advocate for better health in your community
- Make sure health resources are in WV communities most in need
- Help policy makers and health officials better understand the reality of health in your community

HOW DO I PARTICIPATE?

One in 14 West Virginia adults will be randomly selected to take the survey. If selected, you will receive an invitation with a choice on how you would like to complete the survey:

- **Online survey**
- **Mail-in survey**
- **Call-in survey**

Information submitted through this survey is confidential and non-identifiable. Taking, or not taking the survey will not change any state benefits you may be eligible to receive now or in the future.
