Superintendent's Report

March 12, 2018

Thank you to our Corporate Partner the Hudiburg Auto Group for providing our 2018 District Teacher of the Year, Ms. Kasey Manning from Tinker Elementary, with the use of a Buick Lacrosse for a year! We are so blessed by this donation and recognition for Ms. Manning and supporting all of our students, staff and patrons. Mr. Brian Black was on hand to present the car to Ms. Manning.

Congratulations to Sherilynn Admire, Soldier Creek Elementary, for receiving the First Annual Carolyn Specht Leadership Award from the Mid-Del Public Schools Foundation! Congratulations Mrs. Admire!

Congratulations to Taylor Johnson, 4th grader at Pleasant Hill Elementary! Taylor is the 4th Grade 2018 Black Heritage Creative Contest winner! The OKC Thunder and Sprite invited students of all ages and backgrounds to complete an entry form and submit an original creative piece that features inspiring individuals in black history or your personal life. Great job, Taylor! #mdpurpose

Del Crest Middle School hosted a great Black History Month assembly for the entire school.

Congratulations to Epperly Heights Elementary third graders, Jace Fry and Khloe Carnell, for receiving new bicycles for their outstanding improvements in reading as part of ***Alexander's Promise***. Mr. Alex Shelton wanted to provide bicycles for students who made progress in reading. He shared his personal journey and reading struggles with the students at Epperly Heights and provided a great surprise of two bicycles for two third grade students.

Thank you Alex Shelton!

Del City High School's Manny Rogers is a State Champion in Class 5A. The sophomore beat El Reno's Parker Avendano 6-2 in the 106-pound finals.

Congratulations to Breland Steward, Del City HS Junior, for receiving the Multicultural Citizen of the Year! He is the first student to ever receive this honor. Congratulations also to Ethan Ho, Del City HS Senior, who won the Mosaic of Diversity essay contest for the 2018 Multicultural Education Institute.

Midwest City High School conducted their second annual Black History Month Symposium. Teachers created sessions to celebrate Black History Month. Some of our sessions included White House Social Director Phredd Evans, The History of Black Super Heroes, Colorism, and Underground Railroad Quilts. The students got to choose what session they wanted to attend. It was a great success.

Thank you to Northrop Grumman for sending a cadre of engineers to speak to Mr. Kelly Fry's class, at Del Crest MS, about electrical circuits and engineering! It was a great end to Engineering Week!

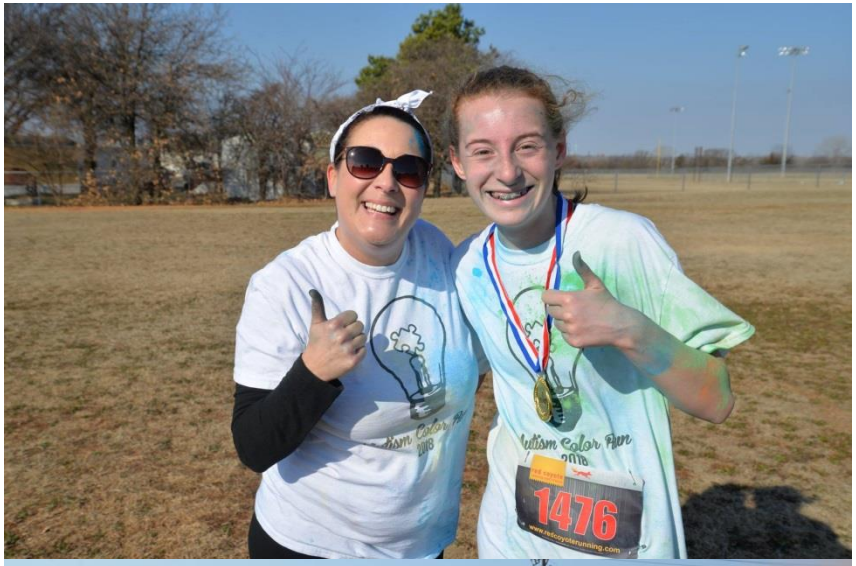
Thank you to all who participated in the 2nd Annual Autism Color Run. Over 100 were registered for the event. Proceeds from the run will help purchase team Special Olympics shirts for students in the autism programs at Soldier Creek Elementary, Carl Albert Middle School, and Carl Albert High School. #mdpurpose



Congratulations to the Bulldogs from Cleveland Bailey Elementary, our 2017-2018 Elementary School Debate Champions! Congratulations to the Falcons from Del Crest Middle School, our 2017-2018 Middle School Debate Champions! A special thank you to all of our students and teachers who spent numerous hours preparing for today's debate. We'd also like to thank the families for supporting our students on a Saturday. Thank you to all of the volunteers who spent their morning with us. #mdpurpose

Of Character: High school junior champions diversity in student leadership

by Ben Bigler • Published: March 4, 2018 5:00 AM CDT • *Updated: March 4, 2018 5:00 AM CDT*

Breland Steward, a junior at Del City High School, was named the multicultural citizen of the year by the University of Central Oklahoma's Multicultural Education Institute. [Photo by Ben Felder, The Oklahoman]

Breland Steward had a speech prepared, but when he reached the podium he decided to freestyle it.

In a room full of career educators, college students and other professionals, Breland, a junior from Del City High Schools, was being honored for his work in helping to build a multicultural society.
