DISTRICT NEWSLETTER

SEPTEMBER 2017

Every Child…..Every Class…..Every Day

MESSAGE FROM THE DISTRICT ADMINISTRATOR / JORDAN SINZ

It is with sheer amazement that I look at the calendar and anticipate the halls of Black Earth, Mazomanie, and the Middle/High School bustling with student activity. Education is a unique field with the annual closure of one year only to be quickly followed by the anticipation of another. Our district has focused a great deal of attention on frequently communicating with students and parents on an individual basis to build positive relationships. As the district administrator, I am also working hard to effectively do the same and hope you find this correspondence both informative and affirming.

The start of a new school year elicits a myriad of emotions for students, parents, and faculty members! Some can take this moment in stride, while others cannot help but to feel a great deal of nervous energy. Wherever you fall on this spectrum, please know that our staff is committed to making the transition to the 2017-18 school year as smooth as possible for students and their parents. If you have questions or want to discuss the educational process with one of our staff members, do not hesitate to reach out. The staff will be practicing proactive communication throughout the year to facilitate open and positive lines of communication.

Our district web page can provide a great deal of information for students, parents and community members. The school also has a Facebook page – search Wisconsin Heights School District. Please follow us for informational updates and to see examples of the amazing things happening in our district! As technology continues to evolve, it is our desire to utilize the tremendous potential of electronic communication, while also respecting the wishes of community members who prefer a paper copy of our monthly newsletters. The district will no longer be printing hard copies of the monthly newsletter. It will be available online through our website, Facebook, Twitter and sent out via email to currently enrolled families through Skyward Family Access. If you would prefer a hard copy, please contact Courtney Warren at 608-767-2595.

Over 20 staff members participated in our first annual Wisconsin Heights School District school improvement planning (SIP) meeting on August 21, 2017. We were joined by Mr. Ed O'Connor and Mrs. Elizabeth Freeman from CESA 2. They provided a great deal of experience in the SIP process and helped guide our conversations and efforts to analyze important district data. Based on data and experiential information we have set district level goals that are connected to literacy. These goals will serve as our foundation for professional development, in-service, and staff meetings throughout the 2017-18 school year.

The educational process is truly a partnership that involves students, parents, faculty and the community at large. It is my hope that we have the shared value of wanting students in the Wisconsin Heights School District to enjoy an education that is second to none. For this goal to be realized, we will need to come together to ensure that Wisconsin Heights is a positive place for all students to learn! If you have any questions, feel free to contact me at 608-767-2595 (office), 608-370-3997 (cell) or jsinz@wisheights.k12.wi.us.

2017-18 School Year – We Will Grow Together!

Chris Conohan

Principal, Middle School/High School

Welcome Chris Conohan who is our new MS/HS Principal.
Chris received his Bachelor degree from Edgewood College and UW-Madison. He taught for 13 years in the Middleton-Cross Plains School District. Chris also coached at Wisconsin Heights in both girls basketball and girls volleyball in past years.

Christopher Faull

Cross Categorical Teacher, Middle School/High School

Welcome Christopher Faull who is our new Cross Categorical Special Education Teacher .Christopher comes to us from Chileda Institute in Lacrosse. Chris has a Bachelor's degree in History and Broad Field Social Studies and a Cross Categorical Special Education certificate.

Heather Short

Cook, Middle School/High School

Welcome Heather Short who is our new full time cook in the MS/HS Kitchen. Heather previously worked for the Dodgeville School District.

Daylene Morgan

Cook, Middle School/High School

Welcome Daylene Morgan who is our new part time cook in the MS/HS Kitchen. Daylene was previously an aide at Armstrong Elementary in Illinois.

Jerry Herrling

Custodian, Mazomanie Elementary

Welcome Jerry Herrling who is our new custodian a Mazomanie Elementary. Jerry comes from Oscar Mayer after working there for over 27 years. Jerry is an alumni from Wisconsin Heights High School .

Julie Presny

Educational Assistant, Mazomanie Elementary

Welcome Julie Presny who is our new Educational Assistant at Mazomanie Elementary. Julie has a Bachelor's degree from UW-Madison and background in nursing.

Marcie Kurtz

4K Teacher, Black Earth Elementary

Welcome Marcie Kurtz who is our new 4K Teacher at Black Earth Elementary. Marcie comes from Verona School District and has a degree in Elementary Education and a minor in Early Childhood.

Kelly Kroon

Reading/Math interventionist, Black Earth Elementary

Welcome Kelly Kroon who is our new Reading/Math interventionist at Black Earth Elementary. Kelly comes from Reedsburg School District where she taught for seven years as a Reading/Math Interventionist. She has a degree in Elementary Education and a minor in Early Childhood.

Devin McCartney

2nd Grade Teacher, Black Earth Elementary

Welcome Devin McCartney who is our new 2nd Grade teacher at Black Earth Elementary. Devin has two years of teaching experience, with this past year at Portage Community School District. She has a degree in Elementary Education and a minor in Early Childhood Education.

Angela Baker-Anstice

Educational Assistant, Black Earth Elementary

Welcome Angela Baker-Anstice who is our new part time Educational Assistant at Black Earth Elementary. Angela has worked at Black Earth this past year as a long-term substitute EA in our 4K program.

Ivy Hasheider

Educational Assistant, Black Earth Elementary

Welcome Ivy Hasheider who is our new part time Educational Assistant at Black Earth Elementary. Ivy has a Bachelor of Arts degree in English Literature and plans to return to school to earn her Secondary education degree. She spent the summer working as a Camp Counselor at Keva.

Stephanie Sinz

Educational Assistant, Black Earth Elementary

Welcome Stephanie Sinz who is our new part time Educational Assistant at Black Earth Elementary. Stephanie was an elementary teacher for the past 9 years. She has a degree in both elementary and Special Education.

Lisa Flogel

Educational Assistant, Black Earth Elementary

Welcome Lisa Flogel who is our new part time Educational Assistant at Black Earth Elementary. Lisa worked at Mazomanie Elementary in Food Service for the past few years and has also been an Educational Assistant in the past at Mazomanie Elementary.

Brandon Hastings

Elementary Art Teacher, Black Earth Elementary

Welcome Brandon Hastings who is our new Elementary Art Teacher. Brandon comes from Benton School District. He has a Bachelor's degree in Art Education and a Technology in Art Master's Degree.

Mazomanie Elementary News

DALE GREEN, Mazomanie Principal

Welcome to the 2017-18 school year! We hope you had a wonderful summer and we are anticipating another great school year! With the start of the school year, it is also the start of new routines for your family. Just a reminder our school day begins at 7:45 A.M., with our dismissal at 2:45 P.M.

We are starting our third year with our PBIS program and with PBIS being a big part of our daily routines and school culture, we wanted to start the year again with sharing information about the program.

What is PBIS?
Positive Behavior Interventions & Supports (PBIS) is a process for creating a safer and more effective school. This approach teaches students to be responsible, respectful and safe. PBIS is a highly researched and evidence-based system for teaching behavioral expectations throughout the school. PBIS supports the safety and success of ALL students.

Specific procedures for teaching and celebrating these expectations will occur throughout the year. This will be achieved through the use of:

Behavioral Lessons - School-wide instruction of expected behavior. All behaviors are taught at the beginning of the school year and throughout the year whenever a student or class demonstrates difficulties displaying appropriate behaviors in a particular setting.

Major/Minor Behavioral Referrals - A communication tool between home and school to inform parents of problem behaviors. This data is tracked and collected for staff to see how referrals are being made each month and when and where behavior problems are occurring.

Celebrations - By following the expectations and earning "Gotcha" tickets, students participate in school-wide activities to celebrate positive behavior.

"Gotcha" Tickets - Immediate reinforcement for positive behaviors. These are given by all staff members whenever a student is observed following the expectations.

- Classroom acknowledgement: Students are recognized within their classroom for meeting expectations and earning behavioral points.
- Weekly acknowledgement: School-wide drawing from all of the "Gotcha" tickets collected for the week. Students come down to the office and receive a reward.

Watch for more information regarding PBIS throughout the school year. We do appreciate your support at home in fostering, "Respectful – Responsible – Safe" students!

Nurtured Heart Approach (NHA)- Look for a burst of greatness's celebrated this year in all our classrooms. Mrs. Premo, elementary counselor, has more great information regarding NHA in her newsletter article.

BE/MZ Elementary Magazine Sale
Each fall both elementary schools participate in a magazine fundraiser. The money raised helps us to fund field trips, school assemblies, special events, playground equipment and other student rewards and items throughout the school year. Our sale is not very lengthy, yet has always been very successful. This is our only school sponsored fundraiser outside of the parent-led (WHPTO) events. Our fundraiser is a "family-oriented" sale and not meant to be "door-to-door." Information regarding the sale will be coming home the first few weeks of school.

Mazomanie Elementary News…..Cont'd

DALE GREEN, Mazomanie Principal

Shoes for Physical Education Class

Elementary students are asked to keep a pair of shoes at school specifically for physical education class. These shoes do not need to be new, just clean. Having these shoes that are used only for physical education help keep our gym floors in good shape!

Come Join Us for Lunch!

Parents and grandparents are welcome to join a student for lunch. Please call the school office at (608) 767-2737 by 8:30 a.m. of that day, or before, so we can include you in our daily lunch count. The cost is $4.30 for any non-student and needs to be paid by cash or check on or before the day you plan to eat. We look forward to seeing you!

Upcoming Reminders:

Sept. 4th	Labor Day No School
Sept. 5th	First Day of School
Sept. 7th	WHPTO meeting at Mazo-6:30
Sept. 18th	Start of Fall Map Testing
Sept. 20th	Early Release (K-5 students dismissed at 11:25, no school for 4K on early release days)
Sept. 25th	Magazine Kickoff
Sept. 29th	Picture Re-take Day

Black Earth Elementary News

DEB WINKLER, Black Earth Principal

GREATNESS is in the air and excitement for the start of the school year is ever present! Our theme this year is "Greatness Rocks!" You will see evidence of this throughout the school year and we have many new ventures and activities planned around Nurtured Heart and building students' inner wealth.

The staff have also been working hard all summer to get their classrooms ready and learning new curriculum and strategies to bring into their classrooms. We are also excited that the construction around the outside of our building is complete. We have a new bus lane, so pick up and drop off can return to normal this year. We also have newly paved playground areas for our students to play on.

We are looking forward to having the hallways, classrooms, and playground areas filled with the laughter and smiles of our students.

Upcoming Reminders:

Sept. 5th	1st Student Day
Sept. 7th:	WHPTO Meeting - 6:30 pm at Mazo
Sept. 20th	Early Release - 11:25 am, NO 4K or EC
Sept. 29th	Picture Retake Day

Middle/High School News

CHRIS CONOHAN, Principal

I am excited to join the Wisconsin Heights School District as the principal of the MS/HS. I was born and raised in the Madison area. I received my Bachelor's degree from Edgewood College and UW-Madison. In 2016, I earned my masters in Educational Leadership from Viterbo University.

Prior to Wisconsin Heights, I taught for thirteen years in the Middleton – Cross Plains Area School District at Elm Lawn Elementary School and Kromrey Middle School. The final two months of the 2015-16 school year, I served as the interim principal at West Middleton Elementary School.

Outside of school I enjoy camping with my boys and exploring state parks and historic sites. We also enjoy Badger Basketball and Brewer games.

As a leader, I like to be visible and interact with staff and students. Visiting classrooms to talk with students about their thinking also gives me the opportunity to promote the great work students and staff do on a daily basis.

While I'm excited to join the Wisconsin Heights community, the real magic happens when our staff craft a plan to engage students and get them thinking. I encourage families and community to encourage and support the staff / student educational relationship. Please keep an eye out for what is happening in school and find connections to the student's world. Whenever something is important in the student's life, please let us know. I am looking forward to a wonderful school year!

Shared Vision

Staff are in the midst of crafting our school's vision that guides the work and choices we make each day. By having a common vision, we can make choices about curriculum, events, actions, and resources. When the vision is completed, we'll share it for all to see.

School Improvement Planning

Our School Improvement team participated in a summer workshop to create a goal for our building. The team identified a goal in which they'd like to see our school excel. The goal is being crafted and will revolve around improving literacy through vocabulary usage in content areas. Thanks to our team and staff for the efforts they're making on behalf of students.

Mr. Moyer, our Athletic Director, has all Fall sports up and running. Thanks to all athletes, coaches and fans for your support of Vanguard athletics. Schedules for all sports are posted at:
http:www.capitolconferencesouth.org/public/genie/487/school/1/

Upcoming Reminders:

- Monday, September 4 – No School Labor Day
- Tuesday, September 5 - First day of school
- Wednesday, September 13 – 45-min. Homeroom Schedule (yellow) – class meetings
- Wednesday, September 20 – Early Release Schedule (orange)
- Monday, September 18 - Friday, September 22 - MAP testing window
- Saturday, September 23 - October 13 - Yearbooks on sale for $45, including incentives.
- Friday, September 29 – Picture Re-Take Day

Elementary Counseling Department

AUBRIE PREMO, Elementary Counselor

Welcome back to another exciting and busy school year! I hope you had a relaxing and enjoyable summer break. I am looking forward to working with our wonderful Wisconsin Heights students and families again this year. Over the summer, I had the opportunity to become a certified trainer of the Nurtured Heart Approach (NHA). I am excited to bring this amazing approach to our staff, students and families. Look for opportunities for families to learn more about NHA and visit the Children's Success Foundation website for more!

September will bring clarity for students on the role of a school counselor and the purpose of classroom guidance. Our K-2 students will begin the school year jumping back into our *We Thinkers! Volume 1 Social Explorers* curriculum . Look for letters coming home about these lessons. Our 3-5 students will begin the year with building inner wealth and focusing on their greatness.

Did you know? "Guidance" Counselors are a thing of the past and are now "Professional School Counselors." Counselors were originally introduced in schools around 1910 to provide "guidance" to students on occupational and vocational choices, and college preparation. School counselors are now licensed educators who provide a variety of services meeting state school counseling standards, such as social/emotional learning, mental health, academic, and career development.

Guidance Department

KURT WONG, Guidance Counselor

Seniors

Seniors should be working on their college applications.

Admissions officials look at:

- High school rank in class and GPA (grade point average) and the strength of a student's courses over all four high school years
- ACT and/or SAT scores
- School and community activities
- Teacher recommendations, if required
- Student essays, if required
- Overall quality of student effort in preparing the application – following directions, proper spelling, typing or neat handwriting, etc.

UW Universities/colleges Application priority dates and deadlines vary from campus to campus and sometimes among different programs at one campus. It is to your advantage to apply early! UW-Madison has the earliest priority acceptance deadline which is November 1. If you have any questions, please contact Mr. Wong or the institution to which you are applying.

The UW System has an enrollment management policy that limits the number of students each campus can accommodate. Specific programs may also have enrollment limits. Even applicants who meet minimum admission requirements may not be admitted.

You may use the UW System Application for Undergraduate Admission to apply to any UW campus. Whether you apply online or use the paper application, several items must be submitted to complete your application file.

Guidance Department….Cont'd

KURT WONG, Guidance Counselor

- **A $60 application fee must be paid to each campus to which you apply.** In cases of exceptional need, the application fee may be waived. Contact your counselor for details.

- **An official copy of your high school transcript.** If you have completed any college course work, you must also have an official transcript sent from each college or university attended.

- **ACT or SAT test scores.** Some admission offices require an official score report directly from the testing agency before evaluating an application.

Visit https://apply.wisconsin.edu and use the UW System online application for admission. Features of the online eApplication include easy ability to apply to multiple campuses and optional Visa or MasterCard payment of the application fee.

The Admission Decision – High school seniors notified of admission before finishing their senior year are expected to graduate, successfully complete course work in progress at the time they applied and maintain the class rank required for admission. UW System institutions reserve the right to rescind admission if a student fails to meet conditions on which admission was based.

MATC will start processing applications as soon as they receive them. You will need to look up the specific programs you are applying to because prerequisites vary. You will also be able to find out if there is a waiting list or not. From the Madison College homepage http://madisoncollege.edu/ click on Apply for Admission button.

Madison College's online application is secure and easy to use:
- Save your work and come back to it later.
- Receive immediate notification of receipt via e-mail.
- No delay – application processing starts right away.

Some programs may have unique admission requirements or early such as assessment test scores, course requirements, or early admission deadlines. From the Madison College homepage, click on the link to "Programs of Study" and find your program to check for any additional requirements.

Transcripts

Students must fill out a Transcript Request Form in order to have a transcript sent to any school they are applying to. This form may be picked up outside the Guidance Office. At the present time there is no charge to have a transcript sent. Once the request is received, there will be a 2-3 day turnaround in getting the application out.

Juniors and Seniors

You can apply online for the ACT www.actstudent.org and SAT http://www.collegeboard.com/student/index.html?student. You can find out test dates and deadlines using these sites also.

Upcoming College Education Fairs/Events

A Wisconsin Education Fair will be held at Sun Prairie High School, **Thursday, September 28, 2017** from 9:00 - 11:00 a.m. and 6:30–8:30 p.m. Students and parents will have the opportunity to meet with about 120 college/university/tech school and military representatives from the Midwest. Make sure you ask questions! Representatives are there specifically to assist you and to provide information about educational opportunities. More information can be found at http://www.wefs.org/locations/22. To register online go to www.gotocollegefairs.com

Notes from the Music Department

ANIELA HAAS & GINA ADEMINO

Thank you to everyone that cheered on the Middle School Band and the High School Band and Color Guard at the Black Earth Field Days Parade. Thank you also to all of our "parade parents" and float driver, Lyle Huseth. Thank you to Robert Taylor, our 5th-8th grade band summer substitute teacher and welcome to Greg Norris, who will be here this month while Ms. Ademino is on maternity leave. The High School Color Guard is instructed by Devan Brekke and the Middle School Color Guard is instructed by Heather Reader.

Upcoming Events:

*Saturday, September 9-Home Football game, Call Time **NOON**, Pep Band

*Sunday, September 10-Wild West Days Parade at 12:00, arrive at 11:30 am (MS/HS Bands & Color Guards)

*Saturday, September 16-Home Football game, Call Time **2 pm**, Pep Band

*Wednesday, September 20-MS/HS Music Dept. Fall Fundraiser Kick-off (supports future trips)

*Thursday, September 21-Home Football game, Call Time 6 pm, Pep Band

*October 2-Music Boosters Meeting at 6:30 pm in Band Ensemble Room at MS/HS
(Parents of music students and community members interested in supporting the music program are welcome to attend.)

Looking to donate?

- Support the school music program by purchasing ad space for your business/place of work in concert programs this school year.
- The Music Department will take that used polo, lesson book, band instrument, guitar, keyboard, or music stand and get it into the hands of a music student.
- Do you play an instrument? Consider volunteering your time tutoring a young music student, or possibly as a piano accompanist for Solo & Ensemble Festival. We host the Capitol Conference District Solo & Ensemble Music Festival on Feb. 24th, so we need you to help make it a great festival!

Noteworthy Quote: *In the spirit of marching band/football season… "the band director wants it on record: "We have six new players with great hands for the trumpet section. The bass drummer could carry a little more weight, so we'll put him on a special program. We still need a little height in the trombones. We lost two good clarinets, a sousaphone, and a glockenspiel through graduation. The glockenspiel is going to be hard to replace, but most of last year's starters are back, ready, and eager to play. Every member of our team has heart and, more important, the brass section has lip. Remember, it's not whether you win or lose, but whether you start and finish together."* Go Bandguards! Dent, James. "Band Stand." *Readers Digest.* October, 1982.

The Wisconsin Heights High School Band & Color Guard and the Middle School Summer Band Float

Don't forget to eat your vegetables.
