The High School of St. Thomas More
Vincent O. Greene Senior Scholarship

The High School of Saint Thomas More has been blessed with a gift from Mr. Vincent O. Greene, a local philanthropist who believed in the power of education and wanted to provide further educational opportunities for STM students. According to the Vincent O. Green Estate, this gift is "For educational scholarships to deserving students of academic merit or promise that have shown good citizenship and demonstrated leadership attributes. In awarding the scholarships demonstrated need should not be a factor but may be considered determining the amount of the award." The Vincent O. Greene the Senior Scholarship will reward students who strive for academic excellence, show leadership, and are involved in bettering their community.

Each year for the lifetime of the bequest, the Vincent O. Greene Senior Scholarship Committee & the High School of Saint Thomas More will grant up to five (5) graduating and worthy seniors a college scholarship of $1,000 each.
