Amazing summer camp experiences designed specifically for students ages 10 to 15+

Summers @ Pennington offers a wide array of options for children and teenagers with almost any interest under the sun. From improv to photography to soccer to boxing to engineering to robotics to mountain biking to camping—there's something for everyone!

Designed for campers in middle and high school, our specialized small-group summer programs allow students to devote a full week (or more) to a subject that they love. All of our camps are student-centered, providing plenty of personalized attention to every camper. Camps run from June 21 to August 20.
