Kelly Parker Crowned 1996 Homecoming Queen

Friday night finally arrived. All week long the school had participated in several different activities which led to the big night. One of the activities included nominating and later voting for a class princess and one senior homecoming queen. The evening kicked off with a great first half of football action and then halftime finally came. The band and guard performed their show "Tribute", and then the royalty nominees lined up on the track. As each couple was introduced, the tension mounted. Then, the results were announced; Melanie Potesta as freshman princess, Amanda Dearwester as sophomore princess, and Kathleen Robertson as junior class princess. All that was left was the queen. Finally, Kelly Jane Parker was crowned 1996 Homecoming Queen by the 1995 Queen Amy Nelson.

Kathleen Robertson said, "I felt honored that my class chose me to represent them."

When asked about being crowned queen Kelly replied, "I didn't really think I would ever be crowned queen but I was excited about being chosen."

Kelly and her court enjoyed the game as they watched the Cougars defeat the Cadets 21-9.

Although the night is gone, the memories and excitement will never be forgotten.

FOOTBALL

Chris Coffman and Adam South Named to Academic All-State Team

The 1996 Cougar football team was a drastic improvement over the '95 team.

"The season began with the loss to Cascade in Sectionals. From there we have improved. Now, looking back over the years of pain, glory, tears of defeat, the sweet smell of victory; All I can say after playing this sport since the fourth grade is God, I love this game." Remarked senior Paul Hodgen

The Cougars established the difference from 1995 with a convincing 36-6 win over Monrovia to open the season. The Cougars posted a 4-0 record at home, beating Southmont, Cascade and Cloverdale at Cougar Stadium. They went 0-5 on the road, and lost some hard fought games, including two down to the wire games against Tri-West and Greencastle. A lot of improvement was due to this year's seniors, according to Coach King.

"We were a very much improved ball club. Our program made great strides due to the work ethic of our senior leaders."

Out Of My Way! Senior fullback Donnie Joseph tucks the ball and rumbles his way through the Greencastle defenders. The Cougars fought hard but lost 10-7.

"I think that overall we had a good year, but we should have gone farther in sectionals. The best game I played was against South Putnam. This wasn't my best year for stats, but I enjoyed playing for the team. Coach King was the best coach I 've ever had."

Mohammed Morton

"The best game I had was against Cloverdale on Senior Night. Defensively,it was my best game all year and I blocked pretty good."

Adam South

"One play that stuck out in my mind was against Southmont. They had the ball on a fourth and one, with a chance to get back into the game. They ran the ball to my side and I stuck the guy in the back field to stop the drive."

Team Members Discover Hidden Talents

The J.V. football season looked pretty good according to the scores, but many think that it's all about learning, gaining experience at a higher level, and most of all having fun while preparing to play on varsity.

"I had a lot of fun and I'm looking forward to playing varsity," stated sophomore Josh Boller.

At the begining of the season many players started out in one position but by mid-season they were learning to play something totally different. Freshman Paul Spacco said, "we discovered some of our hidden talents."

Overall, the J.V. season went well and next year's team has a lot to build on.
