April 30, 2021

Except for a few make-ups, IAR testing is complete. The students did a great job & I'm sure everyone is glad it's over!

It's hard to believe that next week we are in the month of May already! There are 3 weeks left in the 4th quarter. It might be a good time to log onto Power School & look at your child's grades! Encourage them to keep reading & working towards their AR goals!

To celebrate Earth Day, each of our classes did an Earth Day poster. Our winners are: Kylee Simon, Eloise Esmon, Gavin Stewart, Stella Lorton. There were some very creative designs – the decision was tough!

Next Friday, May 7th is a half-day teacher in-service. Students will be dismissed at 11:05 that day! We will still be sending weekend meals to those who have not opted out!

At the end of each school year, we collect used school supplies for the N.I.C.E Foundation (Nicaragua Christian Education Foundation). Many school supplies that we might discard would be much appreciated by those less fortunate. They will take items such as crayons, markers, pencils, partially used notebooks, backpacks, etc.

Have a great weekend!

HOME OF THE PANTHERS
