Andrea Sheridan, Superintendent Report
School District of Athens
March 21, 2022

One town. One team. One dream.
Better Together.

Goals

- Maximize opportunities provided by the combination of a new leader, new strategic planning cycle, and a short transition period of leadership.
- *Engage stakeholder groups and key leaders in future planning for the district that will:*
    - *Enable effective decision making to occur,*
    - *Strengthen the environment of collaboration, and*
    - *Embrace the opportunity to forward the strategic direction as supported by the Board.*
- Identify and develop meeting structures to position the system for continuous improvement.
- Support all staff so that they can best deliver excellent service for our students, families, and the community.
