RED RIBBON WEEK AT NAVARRO ELEMENTARY SCHOOL

MRS. WESTERHOLM'S 1ST GRADE

Mrs. Westerholm's 1st grade class is celebrating Storybook Character Dress Up Day and keeping drugs out of our stories! We also voted on which type of jack-o-lantern face to carve and created a jack-o-lantern to decorate our room for the day.

MRS. MCDONALD'S 3RD GRADE

Mrs. McDonald's class made a flag that will hang at the Veterans Day Program.

MRS. HUNTER'S 3RD GRADE

Mrs. Hunter's third grade students each colored a part of the flag. We put the pieces together to create a big flag to honor our Veteran's.

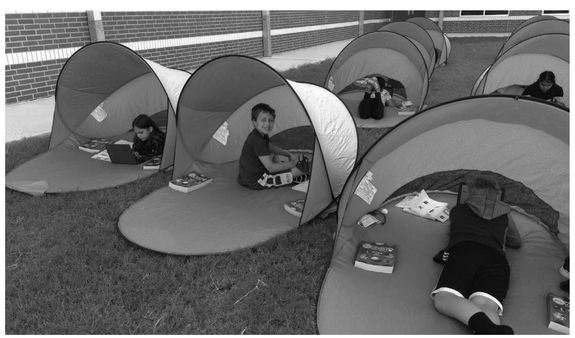
ON THE COVER: POP-UP TENT OUTDOOR CLASSROOM



5th Grade Science and Social Studies would like to give a big shout out to our generous donors: Panther Posse, NYSO, & the Zoeller family. These donors came together to donate two full class sets of tents so each child has a large, shaded private space with a covered floor so the kids can safely spread out & work in the fresh air. Needless to say, the kids LOVE going outside to work & we will put these tents to good use in the future!

NAVARRO INTERMEDIATE CAMPUS BEAUTIFICATION CLUB

Navarro Intermediate Campus Beautification Club is working to bring our very own Outdoor Classroom that will be available for all teachers to use to take students outside and teach. The classroom will have a variety of seating & tables, a large dry erase board, & more.

Girl Scout Troop 3, made up of many Navarro Intermediate 6th Grade students has generously donated gorgeous wooden stools & is also working hard sanding, priming, & painting many of the other tables & seats that will be in the outdoor classroom when it is completed.

LIGHTHOUSE COUNCIL - "SOCK IT TO VAPING"

NIS Student Lighthouse Council received donations for crazy socks to be worn on "Sock it to Vaping" day for Red Ribbon Week, October 27-30. At NIS, we practice the 7 Habits of Happy Kids. Recently, an 8th habit was added of "Finding your voice," which inspires students to influence others. Our Student Lighthouse Council chose to influence others by hosting this fundraiser that benefits the Down Syndrome Association of South Texas. October is Down Syndrome Awareness Month, so this was the inspiration for the fundraiser.

In March, our students had planned a sock hop-- event/fundraiser, which was canceled due to Covid 19. The Lighthouse Council wanted to find a way to reschedule this, and the crazy sock day for Red Ribbon Week seemed the way to do so. Students raised over $250 dollars from sock donations!
