<u>3rd-5th Sequoyah Book Club</u>

Students who are in 3rd-5th grades are encouraged to read the 2022 Sequoyah Masterlist book. They must read and write a book report (book report forms are in the library) over three Sequoyah books to be invited to attend the Sequoyah Book Voting party in March before Spring Break. **The book reports must be turned in by March 7th.** The Sequoyah books are exciting this year and we encourage all students to read them! We have had a few students who have already met this goal and would like to encourage all students to participate! Students who meet this goal of three books or more will be rewarded with ??????? I promise it will be good! If you have any questions let me know!
