I. CALL TO ORDER

The meeting was called to order at 6:01 p.m. in the Administration Building by Board President Mr. Clyde Williams.

II. STUDENT DISCIPLINE

The Marvell-Elaine School Board is back in session concerning the expulsion of student #8183. Ms. Williams recommended the student be expelled for one calendar year for infraction #44 in the student handbook. Dr. Laurent presented information and written statements in support of the infraction. Upon conclusion of Dr. Laurent's presentation of information to the board, Mr. Williams asked if the parent or student had any questions. The parent stated that she had asked all of her questions at the last board meeting. Mr. Williams also asked the board or parent if they had questions for Officer Henry and Nurse Jones. Student #8183 also made a statement to the board concerning the infraction.

The board went into executive session at 6:17 pm. After returning from executive session and upon rendering a decision from the board, Mr. Williams stated that the majority of the board did not want to see the student out of school. Considering all of the accounts of infractions by student #8183, a decision was made to expel the student for the remainder of the school year and return to regular session in January. Ms. Williams informed the board that he has to be provided the opportunity and allowed to have access to an education during his expulsion and has to attempt to acquire the credit through virtual learning. Mr. English made a motion for the student to be able to return back to school with the stipulation that the student and parent must do everything required to make sure this behavior stops in order to remain in school. Mr. Prowell seconded the motion and motion carried.
