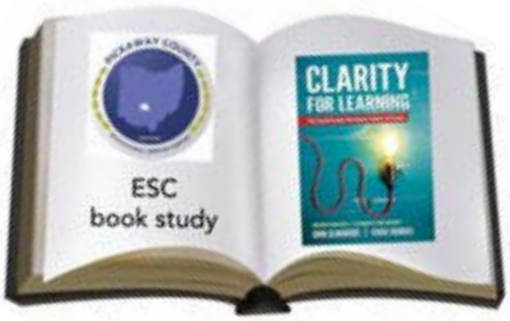
Book study professional development

Clarity for Learning



WHO? The Pickaway County ESC is offering a hybrid book study of *Clarity for Learning* this fall with ESC literacy liaison Jill Riddle.

WHAT? Participants will read, study and discuss the text about the five essential practices that empower students and teachers: gaining clarity, sharing clarity, feedback with clarity, assessing with clarity and collaborating with clarity. They will participate in three in-person classes, using the text and appropriate talking points to guide the discussion; they will consider the professional resource in relation to their classroom practices; and they will complete monthly posts (checkpoints) via e-mail to the instructor.

WHERE? The in-person portion of the book study will be held at the Pickaway County ESC, 2050 Stoneridge Drive, and the hybrid format will be via e-mail (virtual platform).

WHEN?

In-person sessions, 4:15-6:15 p.m.
Sept. 19, Oct. 17 and Nov. 14

E-mail checkpoints:
