Stuart

Attention Hughes County Schools

The Hughes County Fair will be held, August 21st -24th at the County Expo Building on Highway 270. The Spelling bee will be held on Thursday, August 22nd at 4:30. There will be four groups: grades 2-4, 5-6, 7-9, and 10-12. Plaques will be given to the winners in each group.

Here is a list of the words for each group and a list of the rules for the contest. You can give your contestants these words to study. These are the same words from last year.

Select your contestants as soon as possible. You may enter even if you have not been chosen by your school. You can enter as many as you want in each grade group. We will allow students to enter from the crowd, as long as they are in that grade or they are younger than the group they are entering.

You can E-mail your entries or just bring them the night of the event.

Call, if you have any questions.

Hughes County Fair Spelling Bee Rules:

1. You can enter as many students as you want in each group. Entries will be taken from the crowd before the contest begins. The groups are: grades 2-4, grades 5-6, grades 7-9, and grades 10-12.

2. Each contestant should be given a copy of the words to study for the local and county contest.

3. Numbers will be drawn to put contestants in order. Each contestant must face the judge and speak loudly when spelling the words. After the pronouncer gives a contestant a word, the contestant is encouraged to pronounce the word before spelling it.

4. The contestant may ask that a word be repronounced, defined or used in a sentence. The judges may disqualify any contestant who ignores a request to start spelling.

5. Having started to spell a word, a contestant may stop and start over, retracing the spelling from the beginning. But, in retracing, there can be no change of letter and/or their sequence from those first pronounced.

6. Upon missing the spelling of a word, a contestant immediately drops out of the contest. If none of the contestants remaining in the bee at the start of a round spells a word correctly during the round, all shall remain in the competition.

7. The spelling bee shall be conducted in rounds until only two spellers remain in the contest. At that time, speller A will be given a word (example: "dog") If speller A spells "dog" correctly, then speller B will be given a new word. However, if speller A misspells "dog," then speller B will be given the opportunity to spell "dog". If speller B spells "dog," correctly, then speller "B" will be given the next word on the pronouncer's list (example:"cat"). If speller B spells "cat" correctly, then speller B will be declared the champion. However, if speller B misspells "cat", then speller A will be given the opportunity to spell "cat" correctly. If speller A spells "cat" correctly, then he or she will be given the next word on the list. If speller A spells the next word on the list correctly, then speller A will be declared the champion. The process will continue until one of the spellers has spelled two consecutive word correctly.

8. Any questions relating to the spelling of a word should be referred to the designated official immediately. A grievance must be lodged before the contestant affected would have received his or her next word had he or she remained in the contest. No grievance will be entertained after that word has been given to another speller.

9. Judges are in complete control of the spelling bee and their decisions are final.
