Section: **INSTRUCTION**

Policy Title: **Drug and Alcohol--WIAA Activity/Athletic Participation**

The consumption, sale, and/or possession of alcohol, illegal drugs, legend drugs, or anabolic steroids will not be tolerated.

The use of medication, prescribed for an individual student and used exclusively by the same student in accordance with the specific directions of the student's licensed medical practitioner, shall not be considered a violation of this policy.

Whenever the State of Washington Laws and/or regulations prohibit eligibility, or as a result of violation student eligibility is restricted, the Kelso School District as a member school of WIAA shall restrict participation in those activities under WIAA's jurisdiction as prescribed by law.

Violations of Washington Interscholastic Activities Association Handbook shall be considered a violation of the district's eligibility code and standards, and shall subject the student to disciplinary actions as outlined in Regulation 3515.

The sanctions imposed for violation of Policy 3515 (Drug and Alcohol—WIAA Activity/Athletic Participation) are in addition to those imposed under Policy 3241, and Policy and Regulation 2121.
