Senior Class Trip

_____
(year of trip)

I will be attending the senior Class Trip. I understand that I must participate in **all** fundraising activities for the trip. All fines from this year and previous year must be paid to the Senior Class to be **eligible** for the class trip. Fines and money owed the Senior class must be paid before April 1st, unless arrangements have been made with the Principal and Superintendent for a later date. I understand that if I do **not** attend the Senior trip for **any** reason, unless approved by the Principal, I will pay the Senior Class the costs of my trip that cannot be returned by the tour agency.
