Fall River School newsletter for September 2016

My name is Julia Hegeman-Schippa, the new School Counselor at Fall River. I am elated to start the school year and meet everyone! I have been a school counselor for five years. I spent the last four years in Sharon, WI. Sharon is a K-8 building which is part of the Big Foot School District by the Illinois border. I received my Masters in School Counseling from the University of Oshkosh, and before that I attended the University of Minnesota for a Bachelors in Child Psychology.

My husband and I bought a fixer-upper in Bristol two years ago. We live there with our Soft Coated Wheaten Terrier, Gretzky. When we are not working on our house, we like to travel, play board games and hike. We spend a lot of time on the different sections of the Ice Age Trail.

Lyle Trautmann will be Fall River's new Business Education teacher and will be helping with volleyball this fall. His wife Laura will be the new Head Volleyball coach. They are from Seymour and are looking forward to becoming part of the Fall River school and community. Lyle has been teaching at Clintonville for the past 17 years, and is glad to be teaching all Business Ed classes again. Laura has been coaching at Seymour and substitute teaching for the past 8 years and will be doing the same here at Fall River. Both attended smaller schools growing up as Lyle is from Missouri and Laura is from Minnesota. "We were like the typical kids in a small town where we were involved in everything like sports, music, etc." states Lyle. Lyle and Laura met at Concordia College in Seward, NE where they both wanted to be teachers. They share a lot of the same interests and are looking forward to working with both the students and staff at Fall River.

Scott Hein will be Fall River's new JV Volleyball Coach. Scott is currently the Instrumental Music Teacher as Fall River SD and he is excited for the opportunity to coach volleyball, so he can work with students outside the classroom as well. Scott has played on numerous adult volleyball leagues and is really looking forward to coaching this year's JV team!

Amy Liebenthal will be in a new role as our new Academic and Career Coordinator. She is taking on the "non" personal/social/mental/emotional aspects of the counseling position, combined with overlap into business ed (career pathways, Carl Perkins, Career Cruising, etc.).

Annual School Board Meeting will be held Monday, October 17, 2016 at 7:00 p.m. in the Multi-Purpose Room.

The Fall River Booster Club is a group of volunteer parents. Our mission is to support student athletes of Fall River High School. Money raised supports athletic needs at school and scholarships for graduating seniors.

This groups success is based on parent participation. We invite everyone to attend meetings. We meet the first Wednesday of the month. Our next meeting is September 7th at 6:00 pm in the lower office.

At the Booster Bash spring fundraiser, the Rozinski family won the bidding for the parking spot. Their family will enjoy the reserved parking spot for the 2016-17 school year. Next spring it could be yours. We will be auctioning off this parking spot to the highest bidder at the Booster Bash for the 2017-18 school year. Congratulations to the Rozinski family.

The Special Needs Scholarship Program was created by 2015 Wisconsin Act 55. Section 9134(6q) of the Act established special eligibility criteria that apply only for the first year of the program: the 2016-17 school year.

NOTICE OF SPECIAL NEEDS SCHOLARSHIP PROGRAM FOR 2016-2017

(Issued pursuant to section 115.7915(5)(a) of the state statutes)

This notice serves to inform parents and guardians of students with disabilities that the State of Wisconsin has established the "Special Needs Scholarship Program." Under this scholarship program, a child with a disability may be eligible to receive a scholarship from the Department of Public Instruction (DPI) that allows the child to attend
a private school that is participating in the scholarship program. Students who apply for and receive a scholarship may first attend an eligible private school under the program beginning in the 2016-17 school year.

A parent or guardian who is interested in the Special Needs Scholarship Program should independently verify the participating private schools and the specific terms, eligibility criteria, and application procedures of the scholarship program with the DPI. However, the following are some of the initial eligibility requirements that a child must meet in order to receive a program scholarship that covers attendance at an eligible private school beginning in the 2016-17 school year:

1. The child, or the child's parent or guardian on behalf of the child, must have submitted the required application for a program scholarship to the eligible private school that the child will attend.
2. An individualized education program, or a services plan as defined under 34 C.F.R. §300.37 of the federal special education regulations, must have been completed for the child.
3. The child must have applied to attend a public school in one or more nonresident school districts under the state's full-time open enrollment program (see section 118.51 of the statutes) for either the 2011-12, 2012-13, 2013-14, 2014-15, or 2015-16 school year, and all of the open enrollment application(s) submitted for any of those school years must have been denied for one of several specified reasons (including having the DPI affirm the denials if the parent or guardian submitted an appeal).
4. The child must have attended a public school in Wisconsin for the 2015-16 school year.

The initial eligibility requirements that a child must meet in order to receive a program scholarship that covers attendance at an eligible private school beginning in the 2017-18 school year (or beginning in any later school year) are different from the requirements listed above.

Additional information about the Special Needs Scholarship Program should be available on the website of the Wisconsin Department of Public Instruction: http://dpi.wi.gov/sms/special-needs-scholarship.

Yellow Anything painted yellow means NO PARKING OR STOPPING

Blue This is a DROP OFF and PICK UP zone ONLY! You will not be able to wait in your car. (If your child is standing in the DROP OFF area, then you can stop and pick them up. If they are in the playground, you can not stop and wait for them. If you want to wait or stop and watch your children, you will need to park in a parking lot.

\\\\\\ These are crosswalks. Do not block any crosswalks at any time. Always yield to pedestrians in the crosswalks.

No Passing on the right (which is posted) on North Main Street - from South Street to Bradley Street, and on South Street - from North Main Street to Kane Street.

No Parking on Kane Street, from South Street to Bradley Street, from 7:30 am to 8:00 am and 3:00 pm to 3:30 pm.

Traffic flow:
Please use the parking lots as much as possible for dropping off your children. If you use the Blue Zone on Bradley Street, enter from Kane Street to drop off in the Blue Zone, then exit Bradley Street on to Main Street. Please DO NOT make u-turns on Bradley Street. The buses must make u-turns on Bradley Street to avoid driving on Kane Street, which is too congested for the bus traffic in the morning. But cars do not need to do u-turns on Bradley, and should not. It interferes with the buses turning and is a safety issue. If you drop off in the Bradley Street parking lot, please exit to the left and back out to Main Street. We would like to minimize the traffic on Bradley and Kane Streets where ever possible.

Thank you for your cooperation. Safety is always the School's and Village's main concern. Following these rules and guidelines will help to protect all students and parents.

If you have thoughts or suggestions, please contact one of the following: Jim Docter, School Transportation Coordinator 484-3333 ext 279 or Chief Van Gysel 484-3707.
