From the Board Room

October 2, 2017 Hesperia Unified School District Governing Board Regular Meeting Vol. 3

Preparing Today's Students for Tomorrow's World

Hesperia Teachers Recognized

We were fortunate to celebrate the culture of growth in our district by recognizing three of our teachers as Teacher of the Month. Jeff Bunyea was recognized through Teachers are Heroes for his excellence in the math classroom at Oak Hills High School. He continues to lead students to phenomenal success as evidenced by his students' pass rate on the Calculus AP exam. Jason Kleber was recognized by Assemblyman Jay Obernolte for his excellence in innovation and success with his students at Canyon Ridge High School. Barbara Jacobs at Shadow Ridge School was recognized as the first Teacher of the Month by Route 103.1 KVFG and Walter Clark Legal Group.

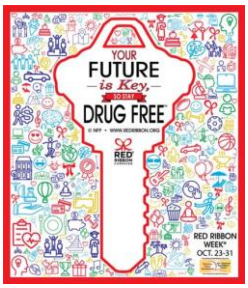
America's Safe Schools Week

Hesperia Unified adopted a resolution proclaiming October 15 – 21, 2017 America's Safe Schools Week.

The observance of America's Safe Schools Week will substantially promote efforts to provide all our schools with positive and safe learning climates. America's Safe School Week was originally established by The National School Safety Center in 1984. NSSC's goal in this campaign is to motivate key education and law enforcement policymakers, as well as students, parents and community residents, to vigorously advocate school safety. School safety includes keeping campuses free of crime and violence, improving discipline, and increasing student attendance. Schools that are safe and free of crimes and violence, weapons, and drugs are necessary to ensure the well-being of all children and the quality of their education. Excellence in education is dependent on safe, secure and peaceful school settings.

"Your Future is Key, So Stay Drug Free"

Hesperia USD adopted a resolution proclaiming October 23 – 31, 2017 Red Ribbon Week. The National Red Ribbon Celebration has been established by the National Family Partnership (NFP) to help create awareness of the drug problems facing every community, to develop parent and community teams to combat illegal drugs, and to promote healthy, drug-free lifestyles for America's youth. Business, government, law enforcement, schools, religious institutions, service organizations, youth, medical, senior citizens, military, sports teams, and individuals will demonstrate their commitment to a healthy, drug-free lifestyle by wearing and displaying red ribbons during this campaign.



The Hesperia Unified School District encourages all citizens to pledge:

"NO USE OF ILLEGAL DRUGS AND NO ILLEGAL USE OF LEGAL DRUGS!"

HUSD Supports National Bullying Prevention Awareness Month

October is Bullying Awareness Month

HUSD has joined schools and organizations across the country by declaring October as National Bullying Prevention Month. Bullying occurs in neighborhoods, playgrounds, schools and through technology. Thousands of children and adolescents are affected by bullying annually. The goal of National Bullying Prevention Awareness Month is to encourage communities across the nation to work together to educate and raise awareness of bullying prevention.
