MORP Week

KICK-OFF TO SPRING

Staff went all out for MORP dress-up days, completely taking over decade day. Honorable mention goes to the Science Department for their 2020 "Zoom-life" representation of business attire on the top and pajamas on the bottom. Coach Mike B. was the most popular for Best Friend Day with three look-alikes. Tech Specialist Garrett White wins with the most creative re-creation of his BFF, School Resource Officer Joseph Campos' uniform.

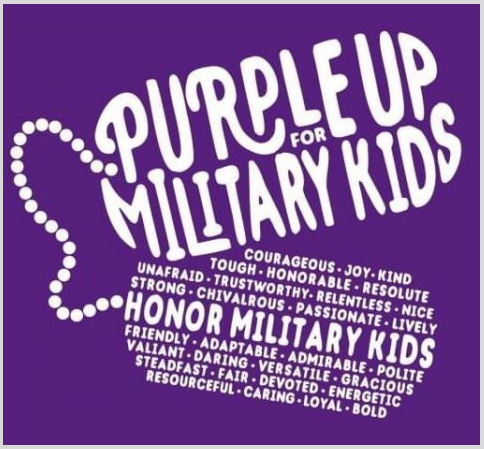
ALWAYS TRYING SOMETHING NEW

With more students than ever to honor, we held our annual academic achievement event during the school day. Students were invited to join in on an afternoon of fun and food. After eating their barbecued burgers, students could enjoy a free Rosie's Snow Biz dessert, hop in the photo booth, or give the inflatable obstacle courses a try. They were also given the opportunity to cross the stage when their name was called to receive a certificate marking their success.

THANK YOU FOR YOUR SERVICE.


WUHS is going all out this month to honor our military-connected students. Every morning of the month we have a different MCY (military connected youth) fact being read in our daily announcements. We are hosting a special breakfast event planned for MCY and their families, and a spirit-week with different dress for each day of the week. For "Purple Up" day, MCY will receive a special custom t-shirt, and several staff members purchased their own to show support. Our honored MCY are getting a world map and a map of the US with pins for our MCY to mark all the places they have lived. The grand finale will be a special family night reception honoring our MCY for their service with a certificate being awarded to each. We are honored to serve those who serve.
