

## **Cromwell High School Project Graduation**

Dear Cromwell High School Parent,

It's hard to believe but our children are high school Seniors! Planning is already underway for Project Graduation for the Class of 2021. This special event is a time honored tradition to celebrate students and ensure their safety on one of the most important nights of their life. Project Graduation is an all-night, substance-free party for the CHS Seniors to be held in June at Cromwell High School. To meet our goal of ensuring a fun and safe evening for CHS seniors, we are reaching out to parents for help, as this event is run ENTIRELY by parents.

The Project Grad committee has been hard at work planning events for the upcoming year. Recognizing that fundraising may be difficult and that we cannot rely as heavily on business donations, we have been trying to find ways to raise funds as creatively as possible. ANY donation (time, talent, financial) is greatly appreciated! In the event that we will be unable to hold Project Grad, we have already been planning ways to celebrate our Seniors in other ways.

On the back of this letter, you will see the fundraising opportunities we have already set up. There are easy ways to help like signing up for Amazon Smile, an online fundraiser or cleaning out your closets to donate to the clothing drive. Please follow us on Facebook at **CHS SAFE GRAD** for the latest activities and fundraisers.

Thank you in advance for your time and support. Want to learn more or get involved? Feel free to contact:
