SUMMER READING CHALLENGE

Join our Summer Reading Challenge! This is completely optional, but we encourage everyone to participate! We have set a goal for each student who has completed 1st – 6th grade. Students are allowed to read books on their reading level & test on them from May 31st – July 30th to earn points toward their summer goal. Those who reach their goal will receive a treat from Mrs. Arthur when we return in August! Any points earned over the summer will *not* count toward their goal for the 1st 9 weeks of school, but they *will* count toward students' overall points for the year! Students may come to the school during operating hours (listed below) to take AR tests. Please remember that they are not allowed to have any assistance while taking their quiz. Once logged in, they will see a pop-up window asking them which class they are testing with – they should choose the SUMMER option. If you have trouble logging in, click on the "Forgot Your User Name?" button. If you have any questions, please email Mrs. Arthur at marthur@centralhinds.org
