Continuation Sheet No. 1	Policy Code:

Policy Name: Licensed Personnel Goals and Objectives	Policy Code: 3.19F
	Date Adopted: 4/16/12

The primary purpose for the employment of personnel in the district includes the following:

1. **To provide a school atmosphere that is conducive to developing each student to his/her fullest potential i.e., to base the educational program on the needs of the student with a program which acknowledges individual differences and provides opportunities for each student to develop his/her physical, emotional, mental, and social capabilities to their maximum.**

2. **To provide a sound educational program for all groups, stressing basic subject matter areas, through innovative programs, extension courses, and special education courses on all levels.**

3. **To provide opportunity for the student to study the culture and heritage of American Democracy, achieving understanding of its tenets and pride in its attainments and appreciation of the privileges and duties of citizenship.**

4. **To help each student achieve his/her own vocational and career objectives; to help become informed as a consumer and develop basic economic understanding, all consistent with the resources of the school community.**

5. **To continue development of a respect of the rules of health and safety.**

6. **To help each student develop and cherish high moral, ethical, and aesthetic values, and to foster an appreciation of the fine arts.**

7. **To encourage creativity.**

8. **To provide educational leadership for the community, specifically in such areas as summer programs and adult education; to work with supplementary educational agencies such as churches, Chamber of Commerce, and the School-Community Recreation Program.**
