RE: COVID-19 Virtual Instruction

Good afternoon,

Due to the continuing upward trajectory of COVID-19 data, and the increased difficulty of providing a robust Face:Face educational experience, the School District of Mondovi has made the decision to transition to Virtual Instruction beginning Monday, November 16, 2020 for all grades 4K-12. As of now, the duration of Virtual Instruction will run through January 18, 2021 with the hopes of returning to Face:Face on Tuesday, January 19, 2021. In the interim, the coming days will be scheduled as follows...

Tuesday, November 10: Students Last Face:Face Day. Students should take curricular items, in coordination with their classroom teachers (i.e.-technology, textbooks, classwork, supplies, etc.) and personal items home from their locker, desk, and/or PE/athletic locker.

Wednesday, November 11-Friday, November 13: Staff Prep. Staff will be utilizing these days for both teacher/lesson preparation and student readiness communication. There will be no instruction during these days.

Friday, November 13: Curriculum Pick-Up. For students that are either lacking in broadband connectivity or in a grade level or class that is providing copied materials, this day will be available to schedule a time to come on campus to acquire hard copy curriculum materials.

In a separate correspondence, please keep a lookout for a survey from the Food Service Department on whether or not you will be interested in their program offerings.

Please know that we take your child's education, health, and safety very seriously. This was not an easy decision to make as we know that it may inconvenience many of you. If you have any follow-up questions, please contact the Elementary Office at 715-926-3645, the Middle/High School Office at 715-926-3656, or the District Office at 715-926-3684. Thank you.

Sincerely,

Gregory K. Corning, EdS
Superintendent
