ROAR

Behavior FOCUS of the Week

If someone wants to sit down, let them.
Do not exclude others.

Word of the Day

Monday

precede (verb): come before something in time

In science, the formation of a theory should always **precede** a lab experiment.

Tuesday

anticipate (verb): regard as probable; to expect or predict

When camping, you should always **anticipate** the need for bug repellent.

Wednesday

consecutive (adjective): following continuously; in unbroken or logical sequence

The ground is soggy after our twenty-eighth **consecutive** day of rain.

Thursday

diminish (verb): make or become less

My bank account began to **diminish** when I made several large purchases.

Friday

exploit (verb): use a situation or person in an unfair or selfish way

For a hefty paycheck, the paparazzi was willing to **exploit** the grieving widow at her husband's funeral.
