PICTURE RETAKE DAY:
Tuesday, November 13th

Bussing

If not riding the bus—call your bus driver between 6:15-6:45am

Tim 715-787-4243

Ed 920-676-9366

If your child does not ride the bus for 3 days, there will be no pickup unless parent/guardian calls the bus driver for pick up.

If your child will be missing school you still need to call the office and let them know.

Help Wanted: Substitutes Needed!

Bus Drivers, Teachers, Paraprofessionals

To be a substitute teacher, you need to have an associates degree, apply for a license on the Wisconsin Department of Instruction website, and participate in training for substitute teachers. To be an aide, you need to be a high school graduate and apply for a license on the Wisconsin Department of Instruction website.

If Interested: Stop at the school office or call 715-787-3211 or go to www.gresham.k12.wi.us to get an application.

Gresham Community School District Referendum:

What is it?: Demolish the 1935 building, build a new addition, and remodel existing classrooms.

When can I vote?: Voting is on Tuesday, November 6

Why should this be passed?: According to the mailing flyer, "This will expand learning spaces and opportunities for students", "It will improve safety and security for students and staff", "Long-term solution to sustain the school and community of Gresham".

How do I vote in favor for the referendum?: For locations and details, go to the school district website, myvotewi.gov, or the referendum mailer sent out by the school district.

Christmas is for Caring 2018

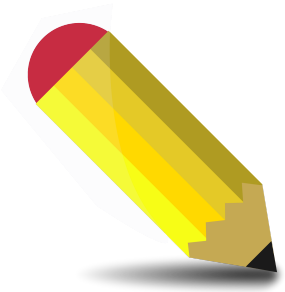
Parents and Community Members;

We will again be running our Christmas is for Caring campaign this Holiday Season. FFA President, Aurora Arce is teaming up with program coordinator, Michelle Hoffman in hopes of running another successful year. Donations are currently being accepted and can be brought to the school's front office (checks made payable to Gresham Community School.)

Would you like to help but love to shop? There will be a giving tree with mittens and items to be purchased for the families we are helping. The tree will be in the Library, ready to go by the end of November. Watch our facebook page for updates and if you have any questions or would like to help please contact Michelle Hoffman, hoffmam@gresham.k12.wi.us

Thank you for supporting this wonderful cause and brightening the holidays for families in our community!

Student Council Activities for November



Our 2018 Homecoming was a success - only because the SENIORS won, of course! All things considered, everyone seemed to have enjoyed themselves. I mean, how could you not? Homecoming is always fun! This year we added new homecoming games into the mix of all the traditional ones. While they were a challenge for everyone to understand, they brought a new energy and excitement to the day. The posters that each class made looked phenomenal; you could really see all of the time and effort that was put forth. Homecoming is a time to work with your classmates, get to know them, and just become a bit closer. During this year's homecoming, you could really see the classes coming together and having a great time.

-Tiana Ferguson (Student Council President)

What's going on with Sport's

JV. Volleyball- The J.V. Gresham Volleyball team capped off a successful season with a win at Stockbridge on Tuesday, Oct. 9. The final win of the season gave the JV Lady Wildcats a 19-3 record on the season, which included 3 Tournament championships. Coach Hoffman said this season's success can only be attributed to the players and their ability to never give up. This season the JV team has seen over 12 players shift throughout the roster, with some players seeing time on both JV and Varsity, and a few girls playing multiple positions. The versatility of every player along with positive attitudes and hard work were the keys to a memorable season.

Varsity Volleyball- The varsity volleyball team finished the conference season at Marion in the Conference pool play tournament on Saturday, October 6. Gresham won their first match over Northland Lutheran 2-1. In their second match, Gresham lost a tough match to Manawa by a score of 1-2. Gresham played for 3rd place against Tigerton and lost 0-2. With the success the team had throughout the season they earned a #2 seed in the WIAA playoffs out of the 8 teams in their regional. Gresham hosted Saint Thomas Aquinas Academy in the first round of the playoffs and won 3-0. In the Regional semi-final match, Gresham hosted Suring and was victorious by a score of 3-1. That sent the Lady Wildcats to the regional final match at Tigerton. Gresham's season came to an end with a 0-3 loss. The volleyball team ended the season with 15-11 record. We would like to thank the six seniors, Tiana Ferguson , Kristen Bowman, Kennedy Hoffman, Savana Olsen, Sydney Mohawk,and Melissa Anderson for their dedication to the volleyball program for many years. There were three players who earned all-conference honors this year. Freshman, Valarie Cerveny, earned honorable mention, senior, Tiana Ferguson, earned second team all-conference and junior, Karisa Nietzer, earned first team all-conference.

HS Soccer- We were a young team because some of our veterans didn't play this year. We played on a turf field for the first time. We won a regional game for the first time in three years. The Regional game this year was home. Three times this year, we had an own goal. We played in freezing rain 8 times. Year of "does anyone smell popcorn".

Cross Country- It's hard to believe that the cross country season has come to an end already. It has been a lot of fun working with all the kids this season. One recent meet to highlight is the Wolf River Lutheran meet, which is a smaller meet, but one that we competed very well at. Levi Schick finished 2nd and Lane Schultz finished 3rd in the varsity boys race while Blade Hoffman finished 7th and Kevin Miller finished 8th in the middle school race. Great job this year by all cross country athletes this season. Coach Thorne

MS Volleyball- The middle school volleyball teams wrapped up their season this last week. Throughout the season both teams took the championship trophies in the tournament and finished the season 13-1. The girls all worked extremely hard and had a great season! -Larissa Cerveny

MS Soccer- We started off the season with a bang. We had a great group of kids show up and throughout the season we ended up gettting a couple new kids. Practices were hard but fun, I tried to give the kids a good and fun season where they would enjoy the sport and hope to come out again in the future. As a coach it is my duty to coach them and give them something to live up too. We ended up only playing a couple of games and ended up getting a win and a couple of losses. But in the end, they started to play like a team and not as individuals. The season ended up being a big success. The kids had a lot of fun and so did I. -Brady Belongia

EAT HEALTHY

On these dates, you may bring a birthday treat to school to share with your classmates. We are trying to limit the amount of junk food that comes into our classrooms. If you choose to send a treat or snack, please make it a healthy choice. You may consider sending a non-food treat such as a fun pencil, a bracelet, a book donated to the classroom, or other fun, little trinket.

Gresham will be having three, school-approved, classroom parties:

- Halloween-October 31, 2018
- Holiday Party-December 21, 2018
- Valentine's Day Party-February 14, 2018

Again, on these days-please bring healthy food and snacks for your classmates and teachers.
