The Meaning of Valentines Day

Valentines Day is also called Saint Valentines Day, or the feast of Saint Valentine. It is celebrated on February 14th. Valentines day is a day when it's traditional to send a card, often anonymously, to a person who one is romantically involved with or attracted to. It is the day of love, and a day to show someone how much you care for them.

FCCLA Blood Drive By Ryan Dunbar

Donating your blood could help save someone's life. This year we raised 48 units and 10 doubles of blood. All of this blood was donated to the Oklahoma Blood Institution. In order to give blood next year, you must be at least 16 years old, weigh 125 pounds or more, and have your parents consent. If you're 17, you can sign for yourself if you meet the weight requirements.

Candy Book Review by: Alyssa Kelly

The book "Candy" is full of suspense and has many secrets to be revealed. A teenage boy/ aspiring musician falls for a girl with many troubles. Should he carry out his dream of being a musician or should he drop it all to save the girl of his dreams? I would highly recommend this book. It's a quick book to read and is very interesting.
