Subject: No new taxes

In The middle of a pandemic we do not need more tax fees! I am saying NO to tax fund levy. Families are struggling already! We can not get food delivered to our kids (Only to certain locations) parents who work can not run get the food for kids. Parents are struggling to find sitters to help their kids with school work. We are trying to figure out how to get internet under \$80 per month so our kids can do online. We can not get hotspots. But you want to tax us? No thanks! Connie Brewer
Have a Great Day!

Board members discussed taking the 4% tax rate as compared to the compensating rate.
