2019 County 4-H Poinsettia Fundraiser

1. The fundraiser begins **NOW** and orders need to be turned in to the OSU Extension office on or before November 1st.

2. Delivery will be first week of December *(date subject to change)*

3. Each County 4-H Club needs to participate. We are committed to buy at least **1100** from Parks Brothers Nursery in Arkansas.

4. **THIS YEAR –** Each member that sells 20 or more poinsettias will be qualified to attend a special 4-H trip (to be determined by those who qualify). One meal and registration / admission fees will be paid for the trip. If a household has more than one 4-H member, each additional member will be required to sell only 10 poinsettias to qualify for the trip. For example: 2 members = 30 poinsettias, 3 members = 40 poinsettias, etc.

5. **THIS YEAR –** For every 100 poinsettias that a club sells, the County 4-H will give that 4-H club $200.

6. Payments will need to be made when the order is taken and a receipt issued to the buyer. This will help us track the orders. (We need prior payment so we will have the money to buy the flowers.)

7. 4-H members must turn their money into the 4-H leader and one check issued to the OSU Extension Office by each club.

8. Please stay in contact with us and let us know how they are selling!
