Three of Mr. Lillo’s Wynford HS/JRHS art students, **Kaiden Blair, Aleece Filliator, and Devan Chen** had works selected by **North Central State College and the Crawford Success Center** to be auctioned for charity to raise money to assist potential NCSC students with scholarships. As part of their recognition for their donation Kaiden, Aleece and Devan will each receive the gift of free college credits for classes at NCSC. The Wynford student’s work will be auctioned to raise scholarship money for NCSC students on Thursday, **March 5th** at the **Crawford Success Center** located on 130 N Walnut St, in Bucyrus. Open Gallery time will be held from 4:30-5:30. Congratulations Kaiden, Aleece and Devan!

We need Devan Chen, Kaiden Blair, Aleece Filliator to Mr. Lillos’ room today (2-28-20) during the activity period if they are all present?

If you have chocolate money, please bring it to the office.

Students need to make deposits for lunch money in the morning and not during the lunch line.
