

November 5, 2020

Southeast Colorado Power Association (SECPA) will be offering **five \$1,000 scholarships to students whose parents are members of SECPA.**

At the same time, Tri-State Generation and Transmission also offers a \$1,000 scholarship to eligible students.

Qualifying requirements for these scholarships are as follows:

1. **Student's parents must be a member of SECPA.**
2. The student must be a graduating senior for the 2020-2021 school year.
3. Student must plan to attend a two or four year college, **or** trade or other **non-traditional secondary educational institutions**. Along with the student's application, we need copies of their school transcript, letters of recommendation and a short letter stating why they feel they are deserving and what their major will be in school. We will also need a current photograph (DIGITAL HIGH-RESOLUTION, FULL SIZE PREFERRED.)
Email to debbieh@sepca.com.

In addition, Basin Electric will be awarding a \$1000 scholarship to one student in the SECPA member territory. With this application, students must have maintained at least a **3.8 grade point average**, and meet the same criteria as in paragraph three above. Students may apply for both the SECPA/Tri-State Scholarship, as well as the Basin.

All eligible students may apply for any or all three of the above-described scholarships.

When applying for the Southeast Colorado Power or Tri-State scholarships, use the SECPA/Tri-State Scholarship Application. If applying for the Basin Scholarship, use the Basin Application.

Applications are available online at <http://sepca.com/our-community/scholarships>.

All applications must be in the La Junta office by February 1, 2021 to:

Southeast Colorado Power Association
