Helpful Suggestions for your Pre-K Student's Success

Please work with your child on the following skills to help make their Preschool transition go smoothly:

- Sharing
- Cleaning up
- Washing Hands
- Recognizing Colors and Shapes
- Recognizing Numbers and Letters
- Using Scissors
- Buttoning, Snapping, Zipping Pants and Jackets
- Tying Shoes

What if your child is sick?

If your child is sick, please keep him/her at home. Illness spreads quickly amongst smaller children and in the lower grade levels. Please DO NOT send your child to school if they have any of the following symptoms:

- **Fever- students must be fever free for 24 hours before returning to school.**
- **Rash- of any kind- unless a doctor's note is provided.**
- **Diarrhea- students must be episode free for 24 hours before returning to school.**
- **Vomiting**
- **Any other symptoms that could affect the health of other children or staff.**

If your child will be absent, please call and notify the school office directly.

IF YOUR CHILD IS SENT TO SCHOOL SICK OR BECOMES ILL DURING THE SCHOOL DAY, WE WILL CONTACT YOU AND REQUIRE THAT YOUR CHILD BE PICKED UP PROMPTLY.
