Memo
Bus Transportation

Families,

This morning at 7:40am the route school bus with students witnessed a tragic accident that occurred on highway 75, north of Auburn. Nick Rinne was driving his route bus behind the vehicle that lost control and wrecked. Nick secured his bus and assisted the victims along with a fire extinguisher and his medical kit that is provided on the bus. Once paramedics and police arrived they were able to proceed to school.

We will keep a close eye on those students who may have witnessed some horrific scenes of an accident. Our mental health practitioner will be present tomorrow if students need to visit with someone about what they may have witnessed.

Please check on your child(ren) tonight when they arrive home later today. If you have questions or concern, please feel free to contact me. 402-868-5235

Sincerely,

Jeffrey Koehler
Superintendent

MISSION STATEMENT
Inspiring Our Youth and Expecting Results
