

The Village Charter School No. 473

INSTRUCTION

2240

Class Size

The Board will strive to achieve ratios described in the School's current performance certificate, and shall consider a class to be overloaded when it exceeds those ratios.

The Board of Directors recognizes that achieving the goal of this policy is dependent upon the financial ability of The Village Charter School. The School Administrator or designee shall review overloaded class situations and may place an assistant in the classroom or offer other solutions to relieve overloaded class conditions.
