

Norwalk Catholic School

St. Paul High

November 1, 2020

Flyer Families,

This afternoon Norwalk Catholic School (NCS) was made aware of two positive COVID-19 individuals in NCS Jr. High/St. Paul High School. Both positive cases live in the same household. We are following our protocols and have reached out to the people we have identified as close contacts. If your household did not receive a call, your students are to come to school as normal. NCS is committed to the health and safety of our school community and we continue to work with Huron County Public Health (HCPH) to verify our contact tracing and to ensure all possible safety measures are in place.

We strongly urge everyone in our Flyer Family to self-monitor for symptoms. Through monitoring, isolation, testing, engaging in COVID-19 safe precautions in public, and open communication we will be able to make decisions that keep our Flyer Family healthy and safe.

The CDC guidelines state: People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

- Fever or chills
- Shortness of breath or difficulty breathing
- Muscle or body aches
- New loss of taste or smell
- Congestion or runny nose
- Diarrhea
- Cough
- Fatigue
- Headache
- Sore throat
- Nausea or vomiting

This list does not include all possible symptoms. CDC will continue to update this list as we learn more about COVID-19.

Everyone in our Flyer Family needs to take all necessary precautions to maintain the health and safety of everyone in their household.

Here are recommendations of steps that can be taken to minimize the risk and maintain personal health.

- Wash your hands frequently
- Avoid touching eyes, nose, and mouth
- Maintain 6 ft social distance in public
- Wear a mask in public
- Stay home when sick
- Avoid close contact with those who are sick

We will continue to communicate with our Flyer Family as information is available. We are stronger when we communicate and work together.

Please pray for those impacted by this virus.

Stay safe, stay healthy, stay positive.
