## Parent Conferences will follow a different schedule this fall:

Traditionally, we schedule time for parent conferences prior to Thanksgiving week at the end of fall trimester. Because students have just recently returned from virtual learning to in-person instruction, teachers thought it would be beneficial to wait for formal conferences at the end of the 2nd trimester. This gives teachers time to gather more information on your child's academic progress. Teachers will be scheduling some virtual conferences next week and for subsequent weeks on a per request basis. Your child's teacher will inform you as to the conferencing format they will be following. Please remember

that Nov 18-20 are minimum days so no virtual classes in the afternoon.

## Do you want to join our Butteville School Board?

We have a spot waiting for you! If you would like to become a member of our school board and be part of a team that helps guide our school, please drop a letter of interest to the front desk. Please remember that you need to reside within our school district in order to serve on the board.

## School Pictures:

It's official, November 17 is picture day! We sent order forms home to parents on Monday (11/9) and Tuesday (11/10). For distance learners, your teachers will send order forms home with your homework packets. The photo agency will be on campus to take pictures during the day. Here is the schedule for picture day. There will not be a class photo taken this year and no make-up picture day has been scheduled. **All parents may also order on-line (see details below).**

**Picture Day Schedule on Nov 17:**

**8:30-10:30am-Students (Tues/Thurs Cohorts) already at school will get their pictures taken in library.**

11:30-2:30pm-Mon/Weds cohort students and Distance Learners need to drop-in for pictures in the library. Parents must drive their children to school if they want pictures taken.

Shawn will meet you at the exit doors nearest the library (west side of school where buses park) to health scan students while parents wait outside the school or in their vehicles. You can fill out the packets sent home or order on-line:

## School Site Council We are looking for 3 community

The School Site Council works to meet the goals specified in the District Local Control Accountability Plan (LCAP). Specific areas reflect a dedication to eight general goals.

2. Review and revise the Safety Plan.

## Ski Club is on if the snow flies!

2020 has been pretty crazy so far, to say the least. But, skiing & snowboarding are still a possibility. Let's hope for snow & an opportunity to enjoy it. The ski park is still planning to run the school ski club program, unless there are dramatic changes with the current Covid 19 situation in Northern California.

They plan to proceed with social distancing measures in place and will continuously review the situation to determine if additional policies are needed. New school limitations will be in place, and your reply determines if we participate.

Please email [buttevilleskiclub@gmail.com](mailto:buttevilleskiclub@gmail.com) if you & your child(ren) would like to participate in ski club this year. Pending responses, we will move forward & plan accordingly. Thanks!
