

Saturday, August 20th

4pm - 8pm @ Eastwood Field

111 Eastwood Mall Blvd, Niles, OH

*Hosted by the Fairhaven Foundation in collaboration with:
Columbiana, Mahoning and Trumbull County Boards of Developmental Disabilities.*

Join us as we celebrate the many abilities of individuals with developmental disabilities during the Inaugural Ability Walk & Roll on Saturday, August 20th from 4pm - 8pm at Eastwood Field, home of the Mahoning Valley Scrappers.

The Ability Walk & Roll was created to help spread awareness of the importance of inclusion, acceptance, and respect for people of all abilities. Our communities are better when people with developmental disabilities are both included and supported.

The Ability Walk & Roll is open to everyone. The evening will include a special walk & roll around Eastwood Field in celebration of those we support and love. Other activities include games, face painting, exhibit spaces, complimentary refreshments, and a movie under the stars. Families are welcome to bring a blanket to experience the movie on Eastwood Field or relax in stadium seating. Additional food and drink concessions will be available during the movie for purchase.
