Good evening East Palestine families and staff its Mr. Neifer East Palestine Superintendent

I am calling to let you know that we will be resuming normal school operations on Monday, February 13, 2023. We have been given the all clear by the County EMA and Health departments. Our buildings have been professionally cleaned and our HVAC system air handlers have been scrubbed and filters replaced. We will also have counselors on site at all 3 buildings for any students that are in need of additional support as we come back from this traumatic event.

Buses will run their normal routes and times starting on Monday. This includes the career center and alternative center routes. Any students that have been displaced to other locations within the district lines, but still require transportation please leave a message at the board office (330)426-4191.

Any students that will not be in attendance please follow normal protocols and call your student off on Monday morning to the appropriate school office.

Again, I want to thank everyone for their patience and support. We are #EPstrong and I am proud of the resiliency that we have shown as a Bulldog Family.

Stay Safe, and as always, Go Bulldogs!!!
