

Important Message from your School's Food Service Provider

**If you qualify for the
Reduced Meal rate, your child(ren)
eat FREE during the 2023-2024 school year!**

Dear Parents,

If your child(ren) qualify for the Reduced Meal rate, they can receive free breakfast and lunch throughout the 2023-2024 school year. To find out if you meet Income Eligibility Guidelines, complete the USDA's 2023-2024 meal application one of two ways:

1. Pick up the meal application in any of the school offices, and complete and return to return to your student's home school office or food service department.
2. Complete the meal application on line here: <https://www.payschoolscentral.com/>

Please do not hesitate to reach out with any questions or concerns you may have.
