

Even in times like these there is a lot to
be thankful for...

It's the First Ever Washington Elementary Thanksgiving Gone with the Gala!

An UnGala (sometimes referred to as “Gone with the Gala”) is a new fundraising trend that takes away the traditional components of a gala; where your absence makes your dollar go farther; and where guests are cordially invited **NOT** to give up an evening at home, nor hire a babysitter, buy a new dress, pay for valet parking or listen to long speeches.

For the whole month of November, we are asking you to purchase a virtual seat at our Thanksgiving table and help support our cause of making Washington a great place for our kids! So, in the spirit of giving please consider making a donation to our organization of parents, guardians, faculty, and staff as we strive to improve the environment at the school through volunteer and financial support; enhance and support the educational experience at the school by supporting academic and enrichment activities; and develop a closer connection between school and home by encouraging parent involvement and promoting communication between the school administration, staff, parents, and students.

100% of your donation will go towards making a difference at Washington Elementary School

To make a donation to the PTO's “Thanksgiving Gone with the Gala” please visit:
