

How to Access Google Classroom

1. Sign into your Chromebook (for instructions on how to do this, see the “How Do I Sign into My Chromebook?” link).
2. Launch Google Chrome by clicking on the Chrome icon in the taskbar (shown below).

3. With Google Chrome open, click the “9 Dots” icon in the upper right corner. This will open a menu with Google’s various apps.

4. From the Google Apps menu that appeared, click the Google Classroom Icon. It is shown below.

5. Since you are already signed into your Google Account, Google Classroom should automatically sign you in.
