Our Thanksgiving Break will be November 25<sup>th</sup> - 27<sup>th</sup>. School starts again on Monday, November 30.

### READING PROGRESS

In order for students to improve their reading skills – which is a critical skill for learning in ALL content areas – students must practice reading every night. Parents are key people in ensuring that students practice reading at home. Please put a system into place in your home to monitor your child's reading practice. We suggest 15-20 minutes each night for students in K-4 and 30-40 minutes per night for students in 5-8.
