

## IN THE SPIRIT OF GIVING WE ARE ASKING ONCE AGAIN FOR DONATIONS OF NON-PERISHABLE FOODS and WINTER NECESSITIES.

The Canisteo-Greenwood Central School District will be running a non-perishable food drive with all of the items collected being donated to families within the school community. This is the season of sharing and the district has always shared generously.

Non-perishable items may be delivered to homerooms with students at the elementary school.

If you would like to provide a monetary donation at any grade level, we ask that this be done in the main office to the attention of Meghan Franclemont.

We are hoping to focus on more nonperishable sustainable foods that can be used as meals such as: Spaghetti O's, Mac n' Cheese, pasta, pasta sauce, peanut butter, jelly, ramen noodles, soup, cereal, etc... however, any donation will be accepted.

The food drive will begin **November 19, 2020** and end **December 10, 2020**. Please remember, **NO GLASS** and to please check food expiration dates.

The elementary homerooms with the **most** donations will earn a prize!

In addition to food we will also be collecting **new** mittens and **new** winter hats. Mittens and hats can be brought to the same locations as food. Mittens and hats will count as **2** food items.

Thank you in advance for your generosity!

Sincerely,

C-G Holiday Committee
