

Royal Independent School District
Royal Junior High
2020-2021 Campus Improvement Plan

Mission Statement

Royal Junior High believes that all students can be successful learners and graduate with skills that will allow them to compete in the twenty-first century workplace. RJH will meet the individual needs, interests and abilities of each student. We will challenge all students to become well educated, responsible and productive citizens.

Vision

Learn. **E**mpower. **A**chieve. **D**ream

We will LEAD our students to success and prepare them to be successful by focusing on the 3 A's -- Academics, Attitude, and Attendance.

Comprehensive Needs Assessment

Demographics

Demographics Summary

Royal Junior High is located in Brookshire, TX, a small city approximately twenty miles west of Katy. It currently serves 458 students. The community has recently encountered a spark in the building of new homes, which will impact enrollment in the future.

Over the past few years, Royal Junior High's Hispanic, Economically Disadvantaged, and At Risk groups have increased in numbers. These students tend to have lower reading levels and need increased support. We will continue to develop our Tier II and III Response to Intervention (RTI) Program for reading for these students as well as other student groups. We offer in-school tutorial opportunities and after-school tutorial opportunities.

The following is a breakdown of our student population:

Count Percentage

African American 66 14%

Hispanic 355 78%

White 30 6%

Asian 1 0.002%

Two or More Races 6 1.998%

SPECIAL EDUCATION: 52 (11%) students with disabilities.

LEP: We serve 232 (51%) English Learners. Over the last several years, we have seen a rapid increase in our EL population

AT RISK: 374 (82%) students are identified as being At-Risk.

RJH has one gifted and talented student, one migrant student and two homeless students. Mobility rate is 3.5% and this does not include our migrant student. Our migrant student has been enrolled since the beginning of the year.

Staff Demographics Count Percentage

African American 13 28%

Hispanic 10 23%

White 21 48%

Pacific Islander 2 >1%

24% Male, 76%Female Teachers

Our Teacher to Student Ratio is 20:1. It is low compared to the state average. We are still below the state averages when comparing STAAR scores although we are closing the gap.

Demographics Strengths

Royal Junior High has many strengths. Some of the most notable demographic strengths include:

1. The attendance rate at Royal Junior High remains strong. We are at the state average.
2. With a growing ESL population, the ESL program has the necessary materials to be successful. Materials are directly aligned to TELPAS. Students are beginning to exit out of the program.
3. The RTI process is evolving and helping to meet the needs of our growing number of struggling learners. Students are becoming self advocates for their learning.

Problem Statements Identifying Demographics Needs

Problem Statement 1: We have not successfully met the needs of each of our student groups when it comes to student achievement and must work to close the gap for EL students, Eco. Dis., and SPED. **Root Cause:** Historically, these sub-pops have performed below average on state assessments because we are a small campus and students are accounted for in multiple sub-groups.

Student Achievement

Student Achievement Summary

Student achievement data is monitored throughout the school year. RJH monitors the percentage of students at the Approaches, Meets, and Masters Proficiency Levels. Teachers analyze student data and use the information to guide their daily instruction.

Math, Reading, and Social Studies teachers will attend professional development in their respective areas to learn high-yield strategies that will impact students' achievement. Teachers use differentiated instruction to meet the varied needs for their students and place learner-centered instruction. They also participate in content-specific professional development to address their specific needs. One bilingual paraprofessional who will provide teachers with support, work with identified LEP students, and translate during ARD meetings. Teachers have received professional development in Sheltered Instruction and ELPS. The Comprehension Toolkit, Fountal & Pinnell Leveled Literacy Instruction, and Do the Math are the current intervention programs used to support targeted instruction (Tier II & III) in Reading and Math comprehension. All teachers will continue to collaboratively plan instruction and discuss assessment results.

6th Grade Reading	2017	2018	2019	6th Grade Math	2017	2018	2019

Masters	2.53%	14.02%	8.98%	Masters	5.51%	7.98%	5.36%

Student Achievement Strengths

8th grade students performed well on the 2019 STAAR assessment, in the areas of Reading and Math.

Teachers use differentiated instruction to meet the varied needs for their students and plan learner-centered instruction.

General education and special education teachers will collaborate to ensure success for all students.

All teachers will continue to collaboratively plan instruction and discuss assessment results.

Problem Statements Identifying Student Achievement Needs

Problem Statement 1: 59% of 6th graders did not approach grade-level expectations in Reading, for the 2018-2019 school year. **Root Cause:** The specificity of the TEKS are not fully understood to reach the depth of rigor needed. Additionally, 6th grade had the highest number of LEP students.

Problem Statement 2: 51% of 7th graders did not approach grade-level expectations in Reading and Writing, for the 2018-2019 school year. **Root Cause:** We are playing catch up and trying to close the gaps from prior years. This has not been an easy task due to the lack of knowledge that is needed to build new information.

School Culture and Climate

School Culture and Climate Summary

Royal Junior High staff participated in a campus survey designed to create a collective vision of what we want our school to be. We determined that we wanted our campus to have the following qualities:

- Collaboration
- Communication
- Support
- A High Standard for Achievement
- Safety as the #1 concern
- 100% Involvement
- Consistency
- Accountability
- Respect
- Growth
- Differentiated Instruction

Teachers participate in on-going team building activities and events. CHAMPS is being implemented school-wide to encourage appropriate behaviors. It provides students and staff members with positive reinforcement on campus.

New systems and structures were implemented at the start of the 2019-2020 school year to positively impact the school culture and climate for both students and staff.

School Culture and Climate Strengths

1. RJH Staff has a heart for doing what is best for students.
2. Clear expectations and consistency of enforcing the RISD Code of Conduct emphasizes support for all students and staff throughout the campus.
3. A successful Falcon PRIDE program is in place to recognize students who exhibit the character traits of Perseverance, Respect, Integrity, and Discipline in an effort to achieve Excellence.
4. Additional student activities such as Fun Friday have been added to promote positive behavior and classwork from all students.

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

100% of teachers at Royal Junior High are highly-qualified and highly committed to the improvement of academic achievement in all students. Teachers participate in ongoing professional development and professional learning communities. We believe that we are responsible for instructing all students every day and in every possible way.

Staff Quality, Recruitment, and Retention Strengths

1. All ELA teachers are ESL certified with new teachers to ELA working to attain their certification by the end of this school year.
2. 100% of our teaching staff and paraprofessionals are Highly Qualified.
3. Mentor program for all new teachers to the profession as well as new to the district.

Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

Royal ISD uses the data management program called AWARE which provides assessment management and reporting and analysis of student data. RJH teachers teach the state aligned curriculum provided by the district. RJH and RISD uses the Texas Resource System to provide a shared language, structure, and process for curriculum development via an easy-to-use online software delivery system. The curriculum model aligns the written, taught, and tested curriculum. All curriculum documents, resources and assessment items are aligned to the TEKS. In addition, teachers on our campus meet regularly in PLCs by grade level to study student data and plan for instruction

Curriculum, Instruction, and Assessment Strengths

1. Uniform district CBAs and benchmarks
2. Campus curriculum is aligned to state standards
3. Vertical meetings to collaborate for instruction and data analysis
4. Individual student data is analyzed to determine placement in specific and targeted intervention programs.
5. In-class support is provided to our special education students that receive inclusion services by attending general education classes.

Parent and Community Engagement

Parent and Community Engagement Summary

Royal Junior High strives each year to improve parental involvement. Thrillshare is a one-way communication system created by administrators to provide parents with school information. RJH holds an annual career day where parents and community members come out and share their expertise with our students. Title IV Grant Funds will be used to support campus activities.

Parent and Community Engagement Strengths

1. Parents feel welcome on campus.
2. Electronic communication to provide updated information to parents via Skyward, Remind101, and Facebook.
3. Communication is in English and Spanish.
4. Red Ribbon Week Items
5. College Go Get It Week Items

School Context and Organization

School Context and Organization Summary

The master schedule at Royal Junior High has been designed in order to maximize the amount of time spent in instruction. Content area teams have similar conference periods in order to meet once a weeks for Team PLC's. Each grade level team is led by a team leader and teams meet after school every other week to discuss student data, needs, and instruction.

School Context and Organization Strengths

1. Royal Junior High's staff participate in professional learning communities. Each content area team shares the same conference period in order to plan instruction, activities, and assessments to ensure that their classes are aligned to the TEKS.
2. Staff expectations are clear and staff meet expectations consistently.
3. Teachers are committed to excellence in the classrooms, and thus indicated the need for additional professional development activities on campus to build capacity

Technology

Technology Summary

Royal Junior High uses various types of technology which includes: interactive whiteboards, projectors, Chromebooks, and student response system for students. RJH strives to integrate technology into our daily routines. RJH is a one-to-one campus to further meet the needs of our learners.

Technology Strengths

1. There are approximately 350 working Chromebooks on campus. Students use the Chromebooks to complete lessons/activities in the Google Classroom, create presentations, write papers, and much more.

Priority Problem Statements

Problem Statement 1: 59% of 6th graders did not approach grade-level expectations in Reading, for the 2018-2019 school year.

Root Cause 1: The specificity of the TEKS are not fully understood to reach the depth of rigor needed. Additionally, 6th grade had the highest number of LEP students.

Problem Statement 1 Areas: Student Achievement

Problem Statement 2: 51% of 7th graders did not approach grade-level expectations in Reading and Writing, for the 2018-2019 school year.

Root Cause 2: We are playing catch up and trying to close the gaps from prior years. This has not been an easy task due to the lack of knowledge that is needed to build new information.

Problem Statement 2 Areas: Student Achievement

Problem Statement 3: We have not successfully met the needs of each of our student groups when it comes to student achievement and must work to close the gap for EL students, Eco. Dis., and SPED.

Root Cause 3: Historically, these sub-pops have performed below average on state assessments because we are a small campus and students are accounted for in multiple sub-groups.

Problem Statement 3 Areas: Demographics

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus Performance Objectives Summative Review from previous year
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements
- Covid-19 Factors and/or waivers for Assessment, Accountability, ESSA, Missed School Days, Educator Appraisals, etc.

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain

Student Data: Assessments

- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR Released Test Questions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Student Success Initiative (SSI) data for Grades 5 and 8
- Local benchmark or common assessments data
- Grades that measure student performance based on the TEKS

Student Data: Student Groups

- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- EL/non-EL or LEP data, including academic achievement, progress, support and accommodation needs, race, ethnicity, and gender data
- Section 504 data

Student Data: Behavior and Other Indicators

- Attendance data
- Discipline records
- School safety data
- Enrollment trends

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus department and/or faculty meeting discussions and data

Parent/Community Data

- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation

Goals

Goal 1: Focus on Academics and Enrichment - Literacy and Writing

Royal JH will focus on improving students reading and writing levels by providing quality instruction and resources to ensure that all students read and write on grade level as measured by grade level reading assessments and STAAR. We strive to address the whole child, the at-risk child, and all members of our diverse population.

Performance Objective 1: Performance Objective 1: 6th Grade Reading scores will improve in the following areas: ALL - 41% to 50%, AA - 39% to 50%, Hispanic - 37% to 50%,

Economically Disadvantaged - 39% to 50%, ELL - 27% to 50%.

7th Grade Reading scores will improve in the following areas: ALL - 49% to 60%, AA - 43% to 55%, Hispanic - 49% to 60%, White - 55% to 65%,

Economically Disadvantaged - 45% to 55%, ELL - 32% to 45%.

By May 2021, Overall 8th Grade Reading scores will improve 67% to 77%.

By May 2021, Overall 6th Grade Math scores will improve by 10% and 7th Grade Math by 10%.

By May 2021, All students in Reading who did not Meet Standard in Reading Academic Achievement will grow by 15%.

By May 2021, All students who did not show Academic Growth in Reading will improve by 15%.
