Dear Butteville Families,

As most of you probably are aware, COVID-19 cases are increasing exponentially faster than before in Siskiyou County: we currently have an 8 percent positivity rate, and we had 28 new cases registered in our county on Thursday, November 12. Siskiyou County is now on a Tier 3 moderate watch (Orange level).

There are no discussions yet to close the school; however, if these trends continue as we go into the Thanksgiving break, either the school district or the Public Health Department may need to make the call. Please know that the teachers are prepared to make the switch back to distance learning, if necessary. We want you to be prepared, as well, if the decision to shut our doors must be made.

Sincerely,

Eric Bragg, Principal

Len Foreman, Superintendent
