

WEEKLY WARRIOR

Calamus-Wheatland School District

From the desk of Mrs. Kelting:

This week has definitely been different around here. Quarantine students should be receiving contact from their teachers via email. If you have not received anything please contact the school, so we can make arrangements.

Please know our ultimate goal is to have the students in school but we ask parents to have a plan in place if the school needs to teach virtually or if your child needs to be away from school for an extended period of time. Be thinking about childcare and transportation for your child if needed.

Please make sure you have read the mask mandate letter that was sent home this week.

A Note from the Nurse

If you, your child, or someone you live with have tested positive for Covid-19, please contact Nurse Danika ASAP. Email: dsawyer@cal-wheat.net

A reminder that Angel Tree forms are due back to Mrs. Willimack on Nov. 20th. If you did not receive a form and you would like your child to participate in the Angel Tree program through the Carroll Assistance Center this holiday season, please contact Mrs. Willimack and she can get you a form.
