Carol Mitchell shared survey results that showed that the most important issues for voters were the ADA access to buildings, Teacher Space and School Building Security.

Bond Meeting Minutes 10/26/2020

Carol Mitchell - Call to Order 6:00 pm

A discussion about the fact that the committee is seeing signs that make them feel optimistic about the bond. People are voting and many are voting yes.

Rob Miles - The most current numbers are that we have 383 yes votes with only 12 voters voting no.

More discussions about what a phone bank may entail. There are 165 that still need to be contacted. With 65 phone numbers and 147 doors – 151 mailboxes.

Should the committee leave a small, hand delivered pamphlet at houses?

Rob Miles volunteered to use Imperials Copy Machine to make those pamphlets and have them ready for people to pick up tomorrow (10/27).

Josh Kurtz shared delivery numbers and that there were 57 houses in Pine Hollow, 21 in Maupin, 20 in Tygh Valley and 11 in Pine Grove.

There was a discussion about what information the flyer needed to have on it. The agreement was that at this point the flyer is a reminder to vote, and vote yes by Nov. 3rd.
