

IMPORTANT ANNOUNCEMENT: INTRODUCING... HORNET DASH

To all Beech Grove families,

We are excited to announce our new meal distribution system in response to the MCPHD required eLearning. With the newly available additional transportation staff, we are now able to deliver meals directly to your doorstep!

No one can deny the weight of the expense of having the students at home for all meals everyday, so please let us take that financial burden off your plate!

Beginning Tuesday, December 1st, we will deliver FREE meals to your door every Tuesday and Friday until our return to school (tentatively) on January 19th, 2021. This, again, applies to ALL of you regardless of your benefit status. **The USDA waivers allow everyone to eat for free until the end of the 2020-21 school year.**

Simply provide us with your household's student/sibling information and we will take care of the rest. Simplify your life right now and let us take care of the meals. You've more than earned it!

To clarify, this goes for all BGCS students, whether you live in Beech Grove or in the surrounding communities.

Please complete the survey via the link or the QR code below to receive meals via home delivery for your students and their 18 and under siblings.

No need to follow a bus route schedule or anything. Simply open your door and pick up your meals as we leave. It does not get easier or more affordable to feed your students, no matter how frugal you are! Free is FREE!

Please respond **soon** to allow us ample time to create the bus routes and ensure that meal distribution will go smoothly for you and for us.

Dr. Paul Kaiser, Superintendent, BGCS

Dr. Tom Keeley, Assistant Superintendent, BGCS

SCHOOL MEALS ARE DELICIOUS, NUTRITIOUS AND CONVENIENT

AND NOW SCHOOL MEALS ARE FREE FOR ALL KIDS AGE 18 AND UNDER!

Why are school meals free?

To make sure kids have access to healthy meals as the country recovers from the pandemic

How does this benefit our school?

Each meal we serve supports our district

more meals served
=
more school funding

More funding means we can serve more students!

How does this benefit our families?

Spend less at the grocery store

Stress less and enjoy the convenience of not having to prepare meals

Eat better!

Research shows that kids who eat school meals consume more milk, fruit and vegetables at meal time.
