## Meet Ms. Gonzales Kellogg Marsh's New Assistant Principal

My name is Ms. Gonzales. I am so very grateful for the privilege of serving students, families, with the fabulous educators here at Kellogg Marsh. I have the greatest job in the world as an educator. What drives me most every day is a love for kids and for their success and knowing how important an education is for laying that foundation. I've raised four of my own children and know the teamwork it takes among families, teachers, and administrators to support and care for our students so they feel recognized, cared for, motivated, and successful.

I've been an educator for 26 years. For the first thirteen years, I shared a classroom with single-grade Kindergartners, multiage Kindergarten-2nd graders, multiage Kindergarten-1st graders and single-grade 2nd, 3rd, and 4th grade students. After that, I served for 3 years as a reading specialist and Response to Intervention coordinator. For the last 9 years, I was blessed to work with a group of talented and caring teachers and staff as the principal of a multi-age preschool-6th grade elementary school.

As a lifelong learner, I hold: a Bachelor's Degree in K-8 education, a Master's Degree in Reading/Reading Specialist, and a Doctorate Degree in K-12 Educational Leadership.

### Living in Alaska:

- I lived in Alaska for 30 years with my husband, four children, many generations of dogs, and a few lucky cats.
- The things I love most about Alaska are the wildlife, the water, the people and the fishing.

Living in Snohomish County: The things I love most about Marysville are the beautiful mountains and trees; the wonderful people and places; the warm weather, and working in the Marysville School District. I look forward to getting to know more of the wonderful families and students of Kellogg Marsh.

Native American Heritage Month. Also, known as National American Indian Heritage Month. During the month of November, we are to celebrate the contributions and achievement of Native Americans. In 1990, President George H.W. Bush signed a joint congressional resolution designating November 1990 as "National American Indian Heritage Month". American Indians and Alaska Natives from hundreds of tribes have shaped our lives.
