

WALDRON AREA SCHOOLS

November 16, 2020 COVID-19 Update

These changes and updates are consistent with MDHHS's November 15, 2020 executive order.

- High school students (grades 9-12) will attend virtually beginning Wednesday, November 18, 2020 for three weeks. Students with IEP's will continue to attend school in person.
- In addition to high school students with IEP's attending, K-8 students will continue to attend in person.
- High school students are expected to log in at their regular class times either on Zoom or Google Meets.
- Assignments will be graded. Grades will determine eligibility for athletics. Although all sports have been cancelled for now, ineligibility coming out of the first semester leads to sixty days of ineligibility for the second semester.
- Grades and assignments also affect student's grade point average (GPA).
- Assistance will continue to be available *by appointment only* Monday through Friday between 8:00 A.M. and 9:00 A.M. Please contact your teacher(s) to schedule an appointment, if needed.
- High school students, please remember to take home any and all materials needed for virtual learning (Chromebook, charger, textbooks, notebooks, etc).
- Meals will be available for high school students. Please fill out the survey that was sent to high school parents.
- Meals for Wednesday, Thursday, and Friday will be sent home with all high school students, with the exception of those with IEP's, on Tuesday afternoon.
- FAFSA night will still be held on Tuesday, November 17 at 6:30 P.M. in the Media Center and if needed, the multi-purpose room. We encourage seniors and their parents to attend.

Finally, please continue to be vigilant on you check for COVID-19 symptoms and communication with the school. Thanks to you, we are able to stay in person! If you have any questions or concerns, please contact the following:
