

7th Grade E-Learning Tips for Success

STAY UP TO DATE ON GRADES

Student grades are updated frequently in PowerSchool. You can access PowerSchool from the main district website (www.d158.net). Choose MENU, and then PARENT RESOURCES. Select POWERSCHOOL PARENT SIGN IN.

If you need your login information, please contact the main office. Students can contact their teachers for their Student login information.

Please make it a habit to check PowerSchool at least once per week and note any missing assignments.

ASSIGNMENTS

Check each class Teams page for current assignments. Assignments can be accessed from the "Assignments" tab at the top of each class, or from the side navigation bar.

Students will have assignments on both their "live" days and their independent learning days.

Top 5 Tips to Help your Student:

1. *Check grades weekly*
2. *Know how to navigate Teams and access assignments*
3. *Stay in touch with teachers*
4. *Hold student accountable for attendance and work completion*
5. *Help troubleshoot technology issues*

TECHNOLOGY

If you are in need of a school computer for your child, please contact Ms. Taborn (ptaborn@d158.net)

Run updates frequently on all devices and check with your internet service provider if you are having connectivity issues.

Please ensure that microphones and cameras are working on student devices because it is important for students to engage and participate during live sessions.

Contact teachers immediately if you have any technology issues that is inhibiting your child's attendance or ability to complete assignments.

COMMUNICATION WITH TEACHERS

Email is the best way to get in contact with your child's teachers. Teachers will respond as soon as they are available. Please reach out whenever you have questions or concerns about any aspect of e-learning. Below is the contact information for all 7th Grade teachers.
